

to construct a 25-acre lake, Cub World, and Boy Scout camp to serve the Dan Beard Council well into the 21st century.

David has provided the leadership, quality standards, the means and methods necessary to expand the Scouting program in Southwest Ohio and Northern Kentucky to involve a record 65,000 youth and adults annually.

David's work in Scouting has also enabled him to be involved in other vital community programs. He has worked to enrich the relationships of Scouting with The United Way and Community Chest, which has helped increase awareness and funding for these highly worthwhile service organizations. In addition, David has successfully initiated a positive alliance between the Boy Scouts and the Greater Cincinnati, Northern Kentucky schools and educational institutions, resulting in expansive growth in "Learning for Life" and Career Explorer programs.

David has been asked to be the new chief executive of the Atlanta Boy Scout Council, and will soon be leaving the Cincinnati Dan Beard Council, on which he has so ably served. We in Cincinnati will certainly hate to lose David, but his selfless dedication and tireless work on behalf of Scouting and our community will not be forgotten. We wish him the best.

#### HONORING ALEX GALLIONE

### HON. MARGE ROUKEMA

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 6, 1997*

Mrs. ROUKEMA. Mr. Speaker, I rise to congratulate Alex Gallione on being named as the honoree for Spectrum for Living Development Inc.'s Annual Dinner. This well-deserved honor recognizes Mr. Gallione for his years of selfless dedication and leadership on behalf of the disabled. Mr. Gallione is chairman of the Spectrum Board of Trustees and—as a member of the spectrum Advisory Board—I am acutely aware of the countless contributions he has made to our community. Under his guidance, Spectrum has become one of the largest organizations serving the disabled in New Jersey, offering residential facilities, job training, physical therapy, educational programs, recreation, and many other services. The thousands of individuals who have been served by this public-private partnership are extremely grateful to Mr. Gallione for making these opportunities available.

It is inspiring to know that a man with as many accomplishments as Mr. Gallione comes from a modest background. Born and raised in Englewood, NJ, he joined the Navy and served in World War II. He went to work for the Post Office after his discharge. During a 32-year career, he advanced to a number of prestigious assignments, including postmaster of Englewood, general manager of the large Kearney Mail Facility and general manager of the Bulk and Foreign Mail Service Center.

Mr. Gallione has long been deeply concerned about the needs of the disabled, leading him to become an outspoken advocate for their interests. In 1985, he successfully led the effort for passage of the New Jersey Development Disabilities Act. He has served on a number of panels including the State Human Service Advocacy Committee, Governor's

Task Force for the Disabled, the Division of Development Disabilities Advisory Council and the Developmental Disabilities Constituency Committee. At the county level, he cofounded the Bergen County Coalition of Citizens with Disabilities and is a former chairman of the advisory board for the Office of the Disabled. He has also served on the Bergen County Human Services Advisory Committee, the Division of Aging Advisory Council, and the Housing Authority Task Force on Affordable Housing.

Mr. Gallione founded the Alliance for the Betterment of Citizens with Disabilities in 1995. This statewide organization is dedicated to serving individuals with both physical and development disabilities.

Mr. Gallione's proudest accomplishment was the founding of Spectrum for Living Development Inc. in 1977, along with a group of parents of adult children with multiple disabilities. Under his leadership, Spectrum has grown to become one of the largest providers of services for the disabled in the State.

Spectrum offers a wide variety of specialized services for the disabled, including a 52-client residential facility in Closter; group homes for half a dozen individuals each in Northvale, Norwood, Bergenfield, Paramus, Wayne, Hillsdale and Glen Rock; and a 21-unit apartment building in River Vale. The residences offer varying degrees of support, from the supervised apartments in River Vale to full day-to-day support in Closter. Speech, occupational and physical therapy, psychological services, remedial education, social work, recreational opportunities, and vocational programs are all available.

Even the most disabled individuals living at Spectrum facilities are encouraged to achieve a maximum degree of independent living, sense of independence and community involvement. Residents participate in elections, hear from political speakers, participate in community shopping, social recreation, and other activities.

Spectrum also operates adult training centers in Hackensack, North Haledon, and Westwood. The centers provide training in work activities, personal awareness, and community awareness. Occupational, physical and speech therapies are available, along with appropriate medical care. In addition, disabled individuals can sell arts and crafts items, woodshop products, T-shirts, balloons, holiday gift items, and other articles through Spectrum From the Heart, a retail shop in River Vale. For those ready to enter the world of work outside the training centers, Spectrum offers a work program that includes job placement, training, and supervision.

In addition to residential and training facilities, Spectrum offers case managers and counselors who can assist families of the disabled in their own homes. The organization can provide in-home overnight care of the disabled in order to offer relief for family members who normally care for them, and can take the disabled into its group homes on a temporary basis for the same purpose.

Mr. Gallione is a dedicated civic leader and his activities have not been limited to helping the disabled. He has served his community as a former president of the Northvale Lions Club, a former chairman of the Northvale Recreation Committee and—helping instill his sense of leadership in young people—a former member of the Northvale Boy Scouts Commission.

Mr. Gallione is the father of three adult sons, Alexander, James and Jeff. His wife of 48 years, Ann, died in 1995 and he has since married the former Florence Canonica. He has lived in Northvale for 43 years.

Alex Gallione is clearly a leading citizen among leading citizens. His compassion for those in need has touched countless lives and has allowed the disabled to live with respect and dignity. He is an outstanding humanitarian who deserves our recognition and our deepest gratitude.

#### TRIBUTE TO POLICE OFFICER TOM HARWOOD

### HON. JERRY WELLER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 6, 1997*

Mr. WELLER. Mr. Speaker, I rise today to honor Police Officer Tom Harwood, who has been named U.S. Police Officer of the Year by the International Association of Chiefs of Police. The International Association of Chiefs of Police is the oldest law enforcement advocacy group in existence and has members in 92 countries.

Officer Harwood was born and raised in Kankakee, IL, and has worked at the Grant Park, IL, police station for 9 years. He presently lives in Bourbonnais, IL, with his wife, Paula, and their two children, Thomas, Jr., and Victoria.

Officer Harwood's selection was based on several factors, but chief among them was the professional performance displayed while injured in the line of duty. On September 29, 1996, Officer Harwood had just stopped one of two suspicious cars which had been speeding in the village. After stopping the car and attempting to identify its occupants, the second car turned around, ran into Officer Harwood and eventually crashing into the police car. Despite his injuries, Officer Harwood rose to his feet, handcuffed the two male occupants of the cars, locked the two female occupants of the cars into the caged seat of the squad car, and then radioed for backup. Officer Harwood managed to remain conscious until help arrived.

There are no words to adequately describe the supreme sacrifice made by brave officers like Mr. Harwood who patrol our communities everyday in defense of our families, freedom, and children's safety. Our local law enforcement walk down the alleys the rest of us would never consider. I urge this body to identify and recognize other police officers in their communities whose actions have clearly made a difference to their community's well being and safety.
