

208) at land-based border entry ports from October 1, 1998, to October 1, 1999. Section 110 requires the Immigration and Naturalization Service [INS] to implement an entry-exit system at all entry points to the U.S. H.R. 2920 would still require the INS to implement an entry-exit system at U.S. airports and seaports by October 1, 1998, and would also require the INS to implement Section 110 in such a way that would not significantly disrupt or impeded trade or tourism.

I was a proud supporter of immigration reform last year, and believe that an entry-exit system should be an integral part of U.S. efforts to address illegal immigration. However, I believe Congress should provide the INS additional time to implement Section 110 at land-based border entry points. There are simply too many land-based entry points into the U.S., six in my district, for the INS to implement an entry-exit system by the end of next year. Allowing the INS to first implement an entry-exit system at U.S. airports and seaports should give the INS additional time to implement an entry-exit system in such a way that would not cause unnecessary delays at border crossing. Mr. SPEAKER, there have been numerous legislative proposals to address concern about Section 110, and I have been supportive of legislative corrections to Section 110. It is possible that Congress will pass such corrective legislation next year, but I believe this is too important an issue to leave unresolved until then. I thank my colleague from New York for introducing his bill at this time, and ask my colleagues to support H.R. 2920.

Mr. MCHUGH. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas [Mr. SMITH] that the House suspend the rules and pass the bill, H.R. 2920.

The question was taken.

Mr. WATT of North Carolina. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

The vote was taken by electronic device, and there were—yeas 325, nays 90, not voting 18, as follows:
