

illegal smuggling activities, including the transshipment of drugs and money laundering. Macanese authorities recognize the danger these groups pose to Macao's society and economy and have worked to combat them. The triads have responded with retaliatory attacks against police and other public officials. We applaud the authorities' efforts to combat organized crime. The territory is unlikely to be able to effectively address many of the problems it now faces until it has successfully rooted out this scourge.

CONCLUSION

"So far, so good" continues to be the view of the Hong Kong Transition Task Force. As we noted above, the Asian financial crisis will have a still-to-be determined impact on Hong Kong's economy. As we have also noted, there are continuing concerns within the Special Administrative Region itself, particularly in the areas of freedom of expression, the independence of the judiciary, the development of democratic institutions and the protection of intellectual property rights. Given the complexity of the reversion in Hong Kong, this is, of course, important, but it should not be surprising. Nonetheless, this transition period in Hong Kong warrants the continued scrutiny of the international community and the Congress.

COMMENDING TED KARRAS, SR.

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 1998

Mr. VISCLOSKY. Mr. Speaker, it is my distinct pleasure to commend to true sportsman from Indiana's First Congressional District, Ted Karras, Sr., for his induction into the Indiana Football Hall of Fame. A resident of Gary, Indiana, Ted is one of nineteen inductees in the 1998 Indiana Football Hall of Fame class.

Ted Karras began his role as an important part of Indiana's football legacy during his days as a student at Emerson High School in Gary, Indiana. After graduating from Emerson and attending Purdue University for a semester, Ted transferred to Indiana University and played for Coach Bernie Crimmins. In 1956, Ted graduated from I.U. and joined the San Diego Marines where he played both offense and defense.

Ted's hard work and determination payed dividends when he was subsequently picked up by the Pittsburgh Steelers as an offensive lineman, and he helped his team to a second place finish during the 1957 season. After his short tenure with the Steelers, Ted Karras was signed by the Chicago Bears and played with them for five years. His determination and motivation again helped lead his team to success. This time though, the Chicago Bears won the championship in 1963. Ted eventually finished his career with the Detroit Lions in 1965.

While Ted Karras may have retired as a player, he never retired as a student of the game. Ted came home to Northwest Indiana and shared his knowledge with other students of the game. He remains heavily involved in football and helps mold young athletes into sportsmen as an Assistant Football Coach at Andrean High School in Merrillville, Indiana. From the beginning of his football career as a young student and athlete to his current post as an assistant coach, Ted Karras, Sr. has served as an inspiration to thousands of stu-

dents, fans, and players of football in the State of Indiana.

Since its founding in 1973, the Indiana Football Hall of Fame has been honoring prominent coaches, players, officials members of the press, and citizens who have made lasting contributions to the advancement of football and sporting excellence. The Hall of Fame commemorates Indiana's prestigious football history throughout the century. Whether they were involved in football during the early twenties or the present day, the Indiana Football Hall of Fame is dedicated to recognizing those who were instrumental in creating, fostering, and adding to Indiana's excellent football legacy.

Mr. Speaker, I ask you and my other distinguished colleagues to join me in commending Ted Karras, Sr. on his induction into the Indiana Football Hall of Fame. His lifetime of service, dedication, and success has left an indelible mark on Indiana football and Indiana's First Congressional District.

HONORING THE PONTIAC CENTRAL
DELPHI FIRST TEAM**HON. DALE E. KILDEE**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 1998

Mr. KILDEE. Mr. Speaker, I rise today to bring to your attention the remarkable efforts and achievements of the Pontiac Central/Delphi Interior and Lighting Systems FIRST Robotics Team. This dedicated partnership has resulted in national recognition and a renewed commitment to excellence in science and technology.

For three years now, the fine students from Central High School located in Pontiac, MI, and the staff of Delphi Interior and Lighting of Troy, MI, have been competing in the FIRST (For Inspiration and Recognition of Science and Technology) national competition. As a rookie team in 1996, their efforts resulted in the National Competition Rookie All Star award. In only their second year of competition they were honored with the competition's highest award, the Chairman's Award for overall excellence. This year they placed first at the Southwest Regional Championship, New England Championship, and Great Lakes Regional Championship.

The Pontiac Central faculty includes: Dr. Willie B. Aldrige, Birta Allen, Michael Martus, Michael McIntyre, Lorene Phillips, Jamie Schutt, and Arthur Williams. The Pontiac Central students include: Tanea Andrews, Ben Arroyo, Stephanie Bonner, Phuong Bui, Dante Cabello, Steven Carpenter, Armand Collins, Lenwood Compton, Jose Diaz, Tabitha Durham, Alia Garrison, Glynn Gooch, Regina Griffin, Janine Harper, Hmong Her, Tawanda Hilliard, Travia Hilliard, Chris Jackson, Yvette Johnson, Albert Lee, Alva Liimatta, Myder Ly, Ilea Lyons, Koua Moua, Ronnitrea Pilgrim, Denneen Russell, Scotte Spencer, Austin St. Peter, Cary Xiong, Bob Yang, Lisa Yang, Mary Yang, Pa Yang, Peter Yang, Yang Yang, John Youngquist, and Timothy Youngquist.

Members of the Delphi Interior and Lighting Systems engineering team include: Dr. Barbara A. Sanders, Hassan Anahid, Mike Aubry, Craig Blanchard, Robert Brooks, Michael Ciavaglia, Joe Cranston, Dan D'Addario, Brian

Deplae, Jeremy Husic, Joseph Johnson, Marvin Lewis, Sandra Marion, Jane Maselli, Shannon Moore, Mark Nicholas, Amanda Offer, Joe Otenbaker, Tom Osborne, Chantell Parentea, Joe Picciurro, William Priest, Vijay Srinivas, Mark Steffe, Angelica Tasker, Ronald Wilde, Kimberely Will, Kevin Wright, and Joe Zwolinski.

Mr. Speaker, in order for our nation to remain a leader in the global economy we must recognize the importance of science and technology education. For three years, teachers, volunteers, sponsors and participants of the Pontiac Central/Delphi Interior and Lighting Systems FIRST Robotics team have been committed to ensuring that our nation's future doctors, engineers, and scientists have the skills necessary to succeed in the 21st century.

CONGRATULATING ANNE MCKEE

HON. PETER DEUTSCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 1998

Mr. DEUTSCH. Mr. Speaker, I rise today to congratulate a much beloved Key West resident, Ms. Anne McKee. For the past twenty-six years, Ms. McKee has dedicated her life to serving her community, and it is therefore, no surprise to hear that she has been named the 1998 Florence Spottswood Humanitarian of the Year by the Monroe County chapter of the American Red Cross.

This is not the first time that Ms. McKee has been recognized. In 1993, she was named the Woman of the Year in Arts. To honor her achievements the mayor of Key West designated November 10, 1993 as Anne McKee Day. During her tenure as chairwoman of the Monroe County Arts Council, she successfully integrated the council into the South Florida Consortium and, in 1991, she founded the Anne McKee Artists Fund which has awarded more than 50 grants to local artists.

In the spirit of Ms. Florence Spottswood, the founder of the Florida Keys chapter of the American Red Cross, I would like to take this opportunity to thank Anne McKee for her tireless contributions to our island city.

CONGRATULATIONS TO LIBERTY
ELEMENTARY SCHOOL**HON. GEORGE P. RADANOVICH**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 1998

Mr. RADANOVICH. Mr. Speaker, I rise today to congratulate Clovis Unified School District's Liberty Elementary School for being recognized as a National Blue Ribbon School. Liberty Elementary is one of 263 elementary schools across the nation to be named a Blue Ribbon school. To receive this award, Liberty Elementary had to be recognized as a California Distinguished School and then pass a rigorous screening and two-day site visitation. The faculty and students of Liberty Elementary exemplify excellence in student achievement and are very deserving of this recognition.

A Blue Ribbon Award Ceremony was held in Washington D.C. on November 7, 1997

where representatives from Liberty Elementary were honored by the U.S. Department of Education and received a special plaque and flag in recognition of this achievement. Each of the schools were evaluated on outcome measures and conditions of effective schooling, such as leadership, teaching environment, curriculum and instruction, student environment, parent and community support, and organizational vitality. Recommendations on which schools best meet the Blue Ribbon criteria are made to the Secretary of Education by a national panel of distinguished educators and other prominent private citizens.

Liberty Elementary is located in the northeast area of Fresno in one of the fastest growing communities in the Clovis Unified School District. The school mission is to provide a comprehensive, quality education to the Sparthenian concept—"be the best you can be" in mind, body and spirit.

Liberty Elementary has over 700 Students in grades K-6. The student body is composed of 75.1% Caucasian, 10.8% Hispanic, 8.0% Asian, 3.0% black, 1.6% Filipino, and 1.6% American Indian Students. Goals of the school include: (1) earning "superior" ratings in all curricular, co-curricular, and school climate categories of the Clovis Assessment System for Sustained Improvement (CLASSI); (2) implementing a literature-based language arts program; (3) implementing a well-rounded science program utilizing alternative assessment strategies; (4) using team planning at each grade level to promote the concept of a "thinking" curriculum; (5) expanding the concept of technology stations into the classroom; (6) continuing to implement a student assistance program; (7) continuing to develop the philosophy of GoalSharing; and (8) promoting a school environment which fosters the development of character traits that lead to responsible, contributing membership in society.

After receiving the California Distinguished School Award, Liberty students soared to new heights in both academic achievement and co-curricular involvement. Liberty received the highest score in the Clovis West Area on the district's accountability model and earned the CUSD Exemplary School Award. Recognition such as this only comes about through extraordinary efforts of the community, the faculty, and the student body.

Mr. Speaker, it is with great honor that I congratulate Clovis Unified School District's Liberty Elementary. The students and faculty of this school exemplify a care for the community and a dedication to hard work that has gained them national recognition. I ask my colleagues to join me in wishing Liberty Elementary many more years of success.

A SPECIAL TRIBUTE TO MIKE MARSH FOR HIS CONTRIBUTIONS TO THE AMERICAN POLITICAL PROCESS

HON. PAUL E. GILLMOR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 1998

Mr. GILLMOR. Mr. Speaker, I rise today to pay special tribute to an outstanding individual from Ohio's Fifth Congressional District, Mr. Mike Marsh. On Thursday, June 4, 1998, Mike will step down as the Chairman of the Wood

County Republican Party after ten years of service.

Mike has dedicated much of his life to serving the community, to furthering the ability of the citizens of Wood County to participate in the American political process. As Chairman of the Wood County Republican Party, Mike has helped to build one of the most effective, energetic political parties in the state of Ohio.

Mike's contributions to the Wood County community do not stop with his service and dedicated efforts to the Republican Party. Mike is currently serving as Attorney for the City of Bowling Green. In addition, Mike has been a fair and impartial judge of electoral matters in Wood County through his membership on the Wood County Board of Elections.

Mike has a strong sense of dedication to the youth of the Wood County area. He is still serving our youth and pushing to ensure that they are afforded the best education possible as a member of the Bowling Green State University Board of Trustees. Through Mike's hard work, enthusiasm, and innovation, I know the students at BGSU are better equipped to learn and excel in the future.

Mr. Speaker, Mike Marsh has worked tirelessly to ensure that the citizens of Wood County have a community of which they can be proud. It has been said that America works because of the unselfish efforts of her citizens. Our democracy and our political process have certainly been strengthened by the tireless efforts of Mike Marsh. Mr. Speaker, I would urge my colleagues to rise and join me in paying special tribute to a great American, Mr. Mike Marsh, and in wishing him well in the future.

CONGRATULATING JUSTIN R. WOLF

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 1998

Mr. VISCLOSKY. Mr. Speaker, it is with great pleasure that I congratulate an exceptionally talented and dedicated member of Indiana's First Congressional District, Mr. Justin R. Wolf. A senior at Lake Central High School, Justin was recently named as a Finalist in the Imation Computer Arts Scholarship Program.

This program, announced last year by the Imation Corporation in partnership with the National Art Education Association and the American Association of School Administrators, honors high school students who create original works of computer generated art. This scholarship program is a unique approach to encouraging the use of technology and creativity in the arts today. Of over 1,200 students around the country who participated in this year's program, only twenty-five, including Justin, were honored as finalists. Each finalist received a \$1,000 scholarship, a trophy for his or her school, and an all-expense-paid trip with a parent, guardian, or school representative to St. Paul, Minnesota for a national recognition event.

In earning this scholarship, Justin has taken his art from the realm of personal enjoyment to the bright lights of national recognition. Indeed, rather than looking for recognition, Justin began utilizing his artistic talents only for personal enjoyment. Like many young people with artistic talent, Justin's interests have often

changed throughout his life and still remain broad and eclectic. As a young student, he expressed himself through sketching and drawing in his spare time. Fueled more by daydream and stream of conscious thought than a specific inspiration, Justin's idle artwork became much more when his talent was wedded to a computer. When his dual interests of art and computers mixed, Justin's gift became evident. However, Justin's interests are not just limited to computer art and design, but include computer graphics, internet web page design, and concept art.

Indeed, one of Justin Wolf's current endeavors includes a web page design company. With his high school days counting down to graduation, Justin is ready for the challenge of higher education. He will begin summer classes this month at Columbia College in Chicago, Illinois. His goal is to pursue a film major and put the justly deserved scholarship to use in learning about film, computer graphic design, desktop publishing, animation, and special effects.

Mr. Speaker, I ask you and my other distinguished colleagues to join me in congratulating Justin R. Wolf for his well earned scholarship in the Imation Computer Arts Scholarship Program. This young man's ability, excellence, and budding future are a shining example of the abilities of today's young people when given the proper opportunities for scholastic, artistic, or athletic excellence.

RECOGNIZING THE ZETA PHI BETA SORORITY 1998 HONOREES OF THE YEAR

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 1998

Mr. KILDEE. Mr. Speaker, I rise to pay tribute to the recipients of the 1998 Woman of the Year and Family of the Year awards presented by Zeta Phi Beta Sorority. Dr. Dorothy L. Brown has been chosen as the Woman of the Year. Irene and Earcy Christmon, Jr. and family are this year's honorees as Family of the Year. Zeta Phi Beta Sorority will present the awards at the 15th Annual Finer Womanhood Scholarship Luncheon on June 6 in Pontiac, Michigan.

Dr. Dorothy L. Brown is a tireless volunteer in the Pontiac community. After retiring from North Oakland Medical Center in 1995 as a nurse, she continues to devote her life to easing the pain of others. Every week she is at the Bowen Center providing health information, taking blood pressures, assisting senior citizens with medical referrals, and providing numerous other services. She has conducted health care seminars at the New Bethel Shelter, the Women's Survival Center, and the Baldwin Shelter. Dr. Brown is a regular volunteer with the St. Joseph's Parish Nurse Project bringing together spiritual and physical healing in the community.

Currently the president of the Michigan Black Nurses Association, Dr. Brown also participates with the National Black Storytellers, the Red Cross, OLSHA, the NAACP, and the National Association of Black Professional Women. In January, 1998 she was awarded an honorary Ph.D. in Humanities from S.J. Williams School of Religion. In addition, Dr.
