

the equipment that carries the paging signals by driving and walking all over the island.

In less than four years, Island Page has grown from a one-man operation to a company with a trained staff of 18 employees. Mr. Fortner's motivational ability and management style encourage his employees to operate the business with a strong customer service attitude. Those who know Mr. Fortner consider him the model of the new business mentor for the next century.

Island Page sales totaled \$280,000 in 1995 and increased 370 percent in 1996 to pass the \$1 million mark. Sales for 1997 were expected to increase another 50 percent. The company achieved a profit of 12 percent in 1996 and anticipated a 25 percent return in 1997.

Mr. Fortner is the man behind Island Page's popular "Captain Beep Beep" radio campaign. His creative abilities have also played a major role in establishing the technical requirements of the company. He brought with him to Hawaii a new line of equipment that allowed him to operate the business at a lower cost than his competitors. The company started in one location on Oahu, moved into the Dillingham community in the second year and opened a third location in Hawaii Kai in 1997. Mainland travelers can use the Island Page network and local subscribers can travel anywhere in the country and receive a page from Hawaii.

I am pleased that Charles Wesley Fortner has been named SBA's 1998 Young Entrepreneur of the Year. I believe that he embodies the best Hawaii has to offer. ●

TRIBUTE TO HERBERT C. GREEN:
AN INSPIRATIONAL LEADER AND
DEVOTED HUSBAND

● Mr. CLELAND. Mr. President, I rise today to honor Herbert Green from Norcross, Georgia for his service in the United Auto Workers Union, and on 50 years of love and devotion to his lovely wife Autince as they celebrate their Golden Wedding Anniversary on Sunday, July 19, 1998.

Walter Ruether, the great UAW leader, once said, "the most important thing in the world is to fight for the other guy."

This quote reminds me a lot of Herb Green because, for the last several decades, he has been organizing, educating and tirelessly fighting for the rights of working men and women in Georgia and our Nation.

Many of us know how important the labor movement has been for the improvement of working conditions and fair compensation for millions of Americans. None of this would have happened if it had not been for tireless, visionary individuals who were willing to work on behalf of their coworkers, such as Herb Green. Prior to his retirement in 1987 as the International Representative for Region 8, he focused his efforts in the educational and political arenas of the UAW and the State of

Georgia. His UAW involvement continues as a member of the UAW's Advisory Council.

Herb's union work began in 1938 when he became a member of the Boot & Shoe Workers Union, followed by membership in the Packing House Workers Union from 1940 to 1942. After being hired at Local 10 (then GM BOP, now GM CPC) in Doraville in January 1949, Herb established his first UAW membership. He quickly became an active participant in Local 10's affairs, where he served as an Alternate Committeeman, Trustee, member of the Building Committee, District Committeeman, and for a number of years, Chairman of the Shop Committee.

In January 1962 he was appointed as a member of the Region's CAP Education Staff by then Director, E. T. Michael, a job he held through most of his union career, representing Georgia, Florida and South Carolina. He also served as a UAW International Representative of Region 8, consisting of the states of Delaware, Maryland, Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Tennessee, four counties in south central Pennsylvania, the District of Columbia, and Berkeley County, West Virginia.

I have had the pleasure of knowing and working with Herb for many years. On issues like employee rights and education for our children, nobody has worked longer, fought harder or been more committed than him. I am proud to call Herb a close friend and someone who I look to for advice and guidance.

A long time activist in the political and civic life of Georgia, Herb has served as a member of the Board of Review of the Georgia Employment Security Agency, the Urban League, Board Member of the United Way, Vice Chairman of the Gwinnett County Democratic Party, Member of the Board of Elections of the Gwinnett County Democratic Party, Member of Georgia State University's Advisory Committee of Labor Studies, and Chairman of the Trustees of Winter's Chapel Methodist Church, where he and his family have been members for many years.

Herb, who just celebrated his 77th birthday, was born on July 6, 1921. He and his wife have two children, a daughter Kathy and a son Terry, and five grandchildren—the true inspirations of their lives.

I am pleased to call attention to Herb's nearly half a century of dedicated service to the UAW and to congratulate him and Autince on 50 years of marital bliss. I know that they have many more years of happiness ahead of them. I wish them both the best and look forward to continuing our cherished friendship. ●
