ADDITIONAL STATEMENTS

CONGRATULATING KARL OHS

● Mr. BURNS. Mr. President, I rise today to congratulate Karl Ohs, who will receive the Federal Bureau of Investigation's highest honor later this month for his part in ending the 1996 Freeman standoff in Montana. A quiet, unassuming rancher from Harrison, Montana, Karl has displayed uncommon courage and leadership not only during the Freeman incident, but throughout his life as a public servant and community leader.

Born and raised in the farming town of Malta on Montana's Hi-Line, Karl was surrounded by agriculture from his birth. After graduating from Montana State University with a degree in agriculture, he began farming and ranching in Harrison. Karl quickly became an active member in the community, serving on the board of the local hospital and on the Harrison School Board.

Karl's dedication to his community and agriculture led him to run for the Montana House of Representatives in 1994. After only one term, his peers selected Karl to serve as the majority whip for the 1997 legislative session. In this capacity, Karl led fights to cut administrative costs, increase investment in Montana for our long-term growth, and save the historical sites of Virginia City and Nevada City, which otherwise would have been lost, destroying important reminders of our great state's heritage.

Unlike some of today's political leaders who preach virtues publicly while defying them privately, Karl has shown great courage and morality while not standing in front of a microphone or television camera. When Karl was approached by a friend to intervene in the Freeman standoff, he did so without a second thought. As a mediator during the standoff, Karl repeatedly put himself into dangerous situations because of his concern for human life, both of the Freeman and law enforcement officers. In the end, he was able to gain the trust of the Freeman and jumpstart negotiations that led to the end of the standoff. Without his invaluable service, a violent end to the situation would have been inevitable.

In a nation that is suffering from a lack of moral leadership, I am happy to know that we have people like Karl taking an active role in their communities. Karl serves as an example for all of us.

Again, Karl, congratulations on your award. We can all learn a lot from your model of courage and service, and I want you to know that you have my gratitude and that of the Nation.●
