Section 3304 of title 5, United States Code, is amended by adding at the end the following:

"(f)(1) Preference eligibles or veterans who have been separated from the armed forces under honorable conditions after 3 years or more of active service may not be denied the opportunity to compete for vacant positions for which the agency making the announcement will accept applications from individuals outside its own workforce under merit promotion procedures.

"(2) This subsection shall not be construed to confer an entitlement to veterans' preference that is not otherwise required by law.

"(3) The area of consideration for all merit promotion announcements which include consideration of individuals of the Federal workforce shall indicate that preference eligibles and veterans who have been separated from the armed forces under honorable conditions after 3 years or more of active service are eligible to apply. The announcements shall be publicized in accordance with section 3327.
