VITIATION OF PASSAGE OF S. 777

NONCITIZEN BENEFIT CLARIFICATION AND OTHER TECHNICAL AMENDMENTS ACT OF 1998

Mr. JEFFORDS. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of H.R. 4558, just received from the House.

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

A bill (H.R. 4558) to make technical amendments to clarify the provision of benefits for noncitizens, and to improve the provision of unemployment insurance, child support, and supplemental security income benefits.

The PRESIDING OFFICER. Is there objection to the immediate consideration of the bill?

There being no objection, the Senate proceeded to consider the bill.

Mr. ROTH. Mr. President, the bill now before the Senate contains seven technical amendments. Although each provision may seem minor, every one serves a larger, more important purpose. Also, as I will describe, the legislation is time sensitive, which is why the Senate is considering this bill in an expedited manner. Let me also note that the bill has bipartisan support and passed the House on a voice vote on September 23rd. Also, the small cost of the bill is fully paid for.

The first provision would ensure that every elderly or disabled noncitizen dependent on SSI and Medicaid benefits when welfare reform was enacted in August 1996 will remain eligible. The Balanced Budget Act of 1997 grandfathered most legal aliens receiving SSI. However, at that time, a small number—about 22,000—received only a temporary extension, until September 30, 1998, pending a study of their legal status. That issue has been largely resolved, and this provision would complete the work of BBA.

The bill also makes a number of common sense changes that encourage work and personal responsibility in several programs under the jurisdiction of the Finance Committee.

Finally, I would like to highlight an important humanitarian provision in this legislation. Many members are undoubtedly aware of the Make-A-Wish

Foundation and similar organizations that help fulfill the dreams of children with life-threatening or terminal illnesses. For example, the child with cancer who gets a trip to Disney World. Yet, a sick child could lose SSI and Medicaid benefits if the cash value of their "wish" exceed current law income limits. This bill would fix that problem.

I urge the support of all Members of this legislation.

Mr. JEFFORDS. I ask unanimous consent the bill be considered read the third time and passed, and the motion to reconsider be laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (H.R. 4558) was deemed read the third time and passed.
