CLARIFYING LEGAL EFFECT OF LAND ACQUISITION IN RED CLIFFS DESERT RESERVE

Mr. HANSEN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2863) to clarify the legal effect on the United States of the acquisition of a parcel of land in the Red Cliffs Desert Reserve in the State of Utah.

The Clerk read as follows:

H.R. 2863

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. TREATMENT OF CERTAIN LAND IN RED CLIFFS DESERT RESERVE, UTAH, ACQUIRED BY EXCHANGE.

(a) **LIMITATION ON LIABILITY.**—In support of the habitat conservation plan of Washington County, Utah, for the protection of the desert tortoise and surrounding habitat, the transfer of the land described in subsection (b) from the city of St. George, Utah, to the United States shall convey no liability on the United States that did not already exist with the United States on the date of the transfer of the land.

(b) **DESCRIPTION OF LAND.**—The land referred to in subsection (a) is a parcel of approximately 15 acres of land located within the Red Cliffs Desert Reserve in Washington County, Utah, that was formerly used as a landfill by the city of St. George.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Utah (Mr. HANSEN) and the gentleman from Puerto Rico (Mr. ROMERO-BARCELÓ) each will control 20 minutes. The Chair recognizes the gentleman from Utah (Mr. HANSEN).

Mr. HANSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 2863, introduced by myself on September 14, 1999, would clarify the legal effect on the United States of the acquisition of a parcel of land in the Red Cliffs Desert Reserve in the State of Utah.

This legislation was introduced at the request of the Bureau of Land Management. This bill deals with the problem with an anticipated land exchange between the city of St. George and the BLM. This exchange is also designed to facilitate the Washington County, Utah, habitat conservation plan for the desert tortoise.

A certain parcel of land that the BLM wants to acquire used to be a landfill. The BLM wants to acquire the lands in the exchange, but they do not want to accept liability for any unknown toxic material that may be in the landfill.

This bill would leave liability for the landfill in the hands of the city. Thus, the BLM would not be forced to accept liability. The BLM refuses to go through with the lands exchange unless this bill is passed. Both the BLM and the city are in favor of this legislation. Mr. Speaker, this is a good bill, and I urge my colleagues to support it.

Mr. Speaker, I reserve the balance of my time.

Mr. ROMERO-BARCELÓ. Mr. Speaker, I yield myself such time as I may consume.

(Mr. ROMERO-BARCELÓ asked and was given permission to revise and extend his remarks.)

□ 1230

Mr. ROMERO-BARCELÓ. Mr. Speaker, H.R. 2863 would clarify the legal effect on the United States of the acquisition of a parcel of land in the Red Cliffs Desert Reserve in Utah. It is our understanding that the Bureau of Land Management and the City of St. George, Utah, are negotiating a land exchange designed to facilitate a Habitat Conservation Plan for the desert tortoise. We have been told that one of the parcels the Bureau of Land Management wants to acquire was formally used as a landfill. Obviously, the BLM is concerned about acquiring this land and thus being liable for any unknown materials that may be in the landfill.

H.R. 2863 would leave legal liability for the landfill in the hands of the city. We understand that this is agreeable to both the city and the Bureau of Land Management.

Mr. Speaker, like H.R. 2862, this bill is also being brought to the floor without ever having been considered by the Committee on Resources. However, there appears to be a clear public benefit to the United States in this legislation and as such, we have no objection to the House considering the measure today.

Mr. Speaker, I have no other speakers, and I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. OSE). The question is on the motion offered by the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and pass the bill, H.R. 2863.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
