

During the 1950s and 1960s, Mr. Brower led the Sierra Club's successful efforts to block the construction of dams in Grand Canyon National Park and Dinosaur National Monument. He often said, half jokingly, that "All I have been able to do in my career is to slow the rate at which things get worse."

But in fact he made things better. David Brower was instrumental in the creation of Redwoods National Park, North Cascades National Park, and Cape Cod National Seashore as well as the passage of the Wilderness Act and establishment of the National Wilderness Preservation System.

Our Nation has lost a giant, but we must try to walk in his footsteps. David Brower's life and legacy will live as long as we continue to preserve, protect, and enjoy America's natural treasures. •

OUTSTANDING IDAHOAN

• Mr. CRAIG. Mr. President, I rise to congratulate Katie Kirkham, a high school sophomore from Century High School in Pocatello, ID. Katie represented Idaho's horse program at the National 4-H Congress in Atlanta, Georgia, on November 24-28, 2000. She was one of twelve teens in the nation honored with the responsibility of introducing a guest speaker at the event.

There are thousands of young people involved in 4-H in the state of Idaho. And as a former 4-H member myself, I take special pride in recognizing the 4-H program, which has been educating Idaho youth on agricultural issues for generations, and will continue to do so for generations to come. I congratulate Katie on her outstanding accomplishment. •
