

Community 1st National Bank, Geneva is set to begin a much-deserved retirement at the end of this month as family, friends and colleagues gather to celebrate her accomplished tenure with the banking industry and the community, I too would like to pay tribute to Geneva and thank her for her service. Clearly, her hard work is deserving of thanks and praise of Congress.

Born in Scott City, Kansas, Geneva moved to Colorado with her family at the age of 3. Eventually her family moved to Yampa, Colorado where she graduated from high school. In 1961 she graduated from Parks Business School in Denver, where she received her secretary's business certificate in nine months.

Along with her daily schedule, Geneva was heavily involved in the community. Throughout the years, Geneva has worked with numerous community organizations. Geneva served on the Board of Directors of the Perry-Mansfield Performing Arts Camp and the Rotary Club. She was also instrumental in keeping the Toast Mistress Club for Women running.

In 1998, Geneva was given the HAZIE WERNER Award for Excellence for all of her outstanding Community Service. This year the United States Department of Agriculture presented her three awards for her service to senior citizens communities, the USDA Rural Development Special Recognition award, the USDA Rural Development Site Manager of the Year award and the USDA Rural Development award in acknowledgement of her achievement in maintaining 0% average vacancy for the Mountain View Estates. Geneva was instrumental in obtaining monetary funds for special needs at the Selbe and Mountain View Manor complexes.

After 39 years in the banking industry, Geneva has decided to retire so she can spend more time with her daughter Vicki and her grandchildren Brianna and Dakin. "Geneva is always helping people, and now she will have the time to do more of that," said her husband, state Senator Jack Taylor.

Mr. Speaker, I wanted to take this opportunity to thank Geneva for her service to our community. I know that her husband Jack, her daughter Vicki, and her grandchildren couldn't possibly be prouder of her. That, Mr. Speaker, is a sentiment shared by Geneva's friends, colleagues and associates, as well as the United States Congress.

Geneva, congratulations on a job well done and best wishes for continued success and happiness during your well deserved retirement!

Standing shoulder-to-shoulder with workers, Volume Services, formally Service America, is a strong and courageous supporter of the labor movement. A TRIBUTE TO TONY AMAYA

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. McINNIS. Mr. Speaker, I would like a moment to recognize and thank a Delta, Colorado resident who has made sure that students who are having difficulty in school get the help and support they need. Mr. Tony Amaya serves as the risk coordinator for the Delta County Joint School Task Force and the liaison coordinator for the 21st Century Learning Program.

Tony lived in Tijuana, Mexico until he was eight years old. His family then migrated to the United States. Tony spent much of his free time learning English. He got involved in

sports where he eventually competed in wrestling. His dream was to qualify for the Olympics. In 1990 a Mexican international coach recruited him. He then traveled all over the world and took third in the Pan American Wrestling Championships.

After serving as a law enforcement officer for both the Montrose Sheriffs Department and the Montrose Police Department, Tony became the at-risk coordinator for the Delta County Joint School District. His job involves speaking to students who are not having a good school experience. He also works with parents and administrators to help students with their academic needs and to find and resolve the problem to keep students in school. "Life is what you make of it. If you work hard, stay away from drugs and bad companions you can follow your dream," said Tony in a Delta Tribune article.

In March, 2001, Tony was the Hispanic motivational speaker at Lincoln Elementary and Delta Middle School. He spoke to students about the dangers of drinking, smoking, using drugs and disrupting their education. "Be proud of who you are and don't forget your Spanish . . . You are our future—our doctors, lawyers, teachers, etc."

Mr. Speaker, his hard work and dedication has made Tony Amaya a role model for all the young people of his community, and especially for the Hispanic youth of the community. I would like to thank Tony for all that he has done and wish him the best of luck in the future.

RECOGNIZING THE 125TH ANNIVERSARY OF THE S.W. JOHNSON SFE CO. NO. 1

HON. BENJAMIN A. GILMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. GILMAN. Mr. Speaker, I rise today to commemorate the 125th anniversary of the founding of Samuel W. Johnson Steam Fire Engine Company No. 1, Inc. in Garnerville, New York.

On June 6, 1876 a meeting was held in Garnerville for the purpose of forming the town's first fire department. Twenty eight members were sworn in as charter members and the first resolution to be unanimously adopted was that the company be known as the "Samuel W. Johnson Steam Fire Engine Co. No. 1."

In those early years, the centerpiece of the Company's firefighting equipment was the American LaFrance Button Steam Fire Engine, originally purchased in 1869 by the Garner Print Works. The Steamer was pulled by a team of horses stabled at the Garner Print Works and it is alleged that those horses would respond to the Steamer Stall when fire alarms were sounded.

Over the years, the brave, dedicated men of the S.W. Johnson SFE Co. No. 1 have selflessly answered the call when disaster struck the town and its citizens. Most notable were their heroic efforts in responding to the major landslide which devastated part of the town in January 1906 and the high-profile rescue of three Garnerville citizens during separate incidents in 1983 and 1985, both resulting in commendation of the firefighters involved.

As the Fire Company membership declined in the 1990s, a committee was formed to investigate the possibility of initiating a "Junior Fire Fighter" program. These members, between the ages of 16 and 18, have contributed to the success of this innovative program and are instrumental as exterior firefighters to the S.W. Johnson SFE Co. No. 1.

The S.W. Johnson Fire Company enters the 21st century with its newest firefighting equipment, a 2000 gpm pumper. It is a far cry from the original Steamer that pumped approximately 150 gpm. On September 8, 2001, at 1:00 pm, time will be turned back as once again three Belgian Draft Horses will pull the 1869 Button Steamer through the streets of Garnerville, during the 125th Anniversary Parade of S.W. Johnson. This will be a special treat for the residents and will be a tribute to this outstanding example of volunteerism in America.

Accordingly, I am pleased to salute the anniversary of the founding of the Samuel W. Johnson Steam Fire Engine Co. No. 1, Inc. of Garnerville, New York.

Today he continues to be the legal counsel for the United Labor Foundation, much of it pro bono.

Mr. McINNIS. Mr. Speaker, on May 5, 2001 Rovilla R. Ellis, the Executive Director of the Mesa Verde Museum Association, retired after 28 years. I would like to take this moment to have Congress say thank you for all of her hard work and dedication to the museum over the years.
