Congressional Record

PROCEEDINGS AND DEBATES OF THE 107th CONGRESS, FIRST SESSION

Vol. 147

WASHINGTON, WEDNESDAY, JUNE 13, 2001

No. 82

House of Representatives

The House met at 10 a.m.

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer: Lord God, who desires us to receive Your word, be with us today, here in Congress and across this great Nation. Fill us with Your Holy Spirit, that with diversity and creative willingness we may find ways to express deep human concerns and yet uncover true wisdom. Thereby, You will guide us in important decisions and impact our future.

May our native differences and historical experiences provide us with insight and an inner freedom so that we discover new avenues to reach consensus and realize Your power at work in each of us.

Grant freedom of speech to peoples everywhere that the cacophony of voices may give You glory and bring all to a deeper understanding that in You we are already one, You the one who was, who is, and who will be the same now and forever. Amen.

THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

Mr. TRAFICANT. Mr. Speaker, pursuant to clause 1, rule I, I demand a vote on agreeing to the Speaker's approval of the Journal.

The SPEAKER. The question is on the Speaker's approval of the Journal.

The question was taken; and the Speaker announced that the ayes appeared to have it.

Mr. TRAFICANT. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER. Pursuant to clause 8, rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from Colorado (Mr. TANCREDO) come forward and lead the House in the Pledge of Allegiance.

Mr. TANCREDO led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

A MAJOR VICTORY FOR THE AMERICAN PEOPLE

(Mr. STEARNS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STEARNS. Mr. Speaker, I am pleased here this morning to announce that the Republicans in Congress have passed legislation which President Bush has signed into law to provide all taxpayers some money, an immediate tax rebate check.

Because Republicans believe that surplus tax dollars are better spent by the American people than the Washington bureaucrats up here, you will all be receiving a rebate check in the next few weeks: \$600 for married couples, \$500 for head of households, and \$300 for single taxpayers.

Now, this is real money. It is money taken out of Washington put into the hands of families who need it and deserve it. After all, it is their money.

The Treasury Department will start sending letters out to every taxpayer in America explaining when you will receive your tax rebate check and how much you will receive. You can go on the Internet and find out. If you want to, you can call my office and we will give you the Internet site.

Rebate checks will be mailed over a 10-week period at a rate of 10 million

checks per week starting in July. Taxpayers will receive their check according to their Social Security number.

Mr. Speaker, it is their money. The taxpayers should be the ones spending it on car payments, mortgage, saving for college, school supplies and clothing for their children, a new washer, a dryer, on energy bills and gasoline.

CHINA SHIPPING WEAPONS TO CUBA

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, the State Department now admits that China and Cuba have signed a military agreement, and China is shipping weapons into Cuba. But the State Department said, and I quote, "we are not sure if those weapons are lethal". Unbelievable. Every American knows those are not 4th of July fireworks that China is shipping to Cuba, Mr. Speaker.

Think about it. China is now selling weapons to Cuba. Castro hates America. Cuba is 90 miles away from America. Beam me up. What is next? A Chinese missile 90 miles away from the United States of America. I yield back the next bay of dragons in America's history.

RECOGNIZING POQUOSON HIGH SCHOOL

(Mrs. JO ANN DAVIS of Virginia asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. JO ANN DAVIS of Virginia. Mr. Speaker, I rise today in recognition of a group of students from Virginia's First District who recently set international standards in demonstration of their creative problem-solving skills.

Earlier this month, representatives from Poquoson High School joined with

H3077

fellow students from around the globe to compete for international prestige in a contest of ingenuity.

In exercising their talents, these Virginia students not only captured a first place world ranking, but also set a world record through their success at the Odyssey of the Mind's World Competition.

In their rise to confront challenge, Mr. Speaker, these students demonstrated their ability to think critically, to work cooperatively, and to overcome obstacles. Their vigor and success distinguishes our education system in its ability to cultivate the talents of our youth.

In this, it is my desire that these accomplishments of these students be recognized and thus be a testament to the positive role of education in preparing students as emerging leaders.

INDIVIDUAL DEVELOPMENT ACCOUNTS

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Mr. Speaker, today, along with 34 cosponsors, I am reintroducing the bill to establish Individual Development Accounts on a national level. They already exist in several States, including Pennsylvania.

IDAs allow working poor families to save and invest and receive matching contributions from their financial institutions. They can be withdrawn and used only to buy a home, start a small business, or get higher education. Finally, after decades of government-funded poverty, we are encouraging poor and working poor Americans to provide for themselves and plan for their futures.

Just like welfare reform, this program will help those who need help, but IDAs will help people help themselves. Imagine the pride of a new investor who has saved enough to go into business for himself or the joy of putting a down payment on a house one thought one would never be able to afford or opportunities made possible by a college diploma.

IDAs are a good idea for this country. They are part of the President's community renewal plan. I encourage my colleagues to join me in making them a reality.

ENCOURAGING LTV STEEL AND THE UNION TO GO BACK TO THE TABLE

(Mrs. JONES of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. JONES of Ohio. Mr. Speaker, on Monday in the City of Youngstown, LTV Steel filed in the bankruptcy court a request to be relieved from its union contract in order to continue its process of reorganization.

Over the past 6 months in conjunction with Federal officials, including

yourself, local officials, counties, State, we have been trying to work with LTV to help them through this bankruptcy. I would encourage LTV corporate officials and the unions to go back to the table.

We know that we are in a difficult time right now, but it is very important that we do not lose 5,000 jobs in the City of Cleveland that would impact 40,000 jobs throughout our area.

LTV, back to the table. The union is ready to work. Let us resolve this issue for the people of the City of Cleveland.

LA LIGA CONTRA EL CANCER PROUDLY SERVES FLORIDA COMMUNITIES

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, the League Against Cancer or La Liga Contra el Cancer, as it is more commonly known in my congressional district, recently raised over \$3 million for cancer patients during its 25th annual telethon.

Florida ranks second in the incidence of cancer, as one in every two men and one of every two women are diagnosed over a life-span.

La Liga never turns away cancer patients, and I wish to commend its president, Dr. George Suarez and its VP, Brenda Moreira, and the hundreds of volunteers and sponsors who give hope to thousands of Florida's victims of cancer.

Low-income and uninsured cancer patients come to the League for life-saving treatment. Over 300 Miami-Dade board-certified doctors and hundreds of community members volunteer their time and skills and work tirelessly to help cancer victims.

Last year, with the budget deficit, La Liga provided life-saving services to almost 4,000 patients, all of whom were legal residents of Florida. We thank La Liga Contra el Cancer for its proud record of service to our community.

STOP GOUGING PEOPLE IN CALIFORNIA

(Mr. GEORGE MILLER of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GEORGE MILLER of California. Mr. Speaker, it is not bad enough that the energy wholesalers selling energy into California have been able to continue to gouge the California consumer, California families and small businesses, but now we see that the energy companies have joined with the White House, joined with the Republicans in Congress to launch a campaign that, according to CNN, may spend upwards to \$50 million by the energy companies to convince Californians that price caps on wholesale energy costs would be bad for them.

The suggestion is that somehow the price gouging that is going on now in

California and in the western United States is good for consumers. Yet, we see that, in California, more and more households are unable to pay their energy bills. More and more small businesses are at risk or have already gone out of business because of energy costs. We are starting to see individuals make decisions about locating businesses in California.

The White House and its buddies in the energy business ought to stay out of this. What they ought to do is stop gouging the people in California.

THE CHECK IS IN THE MAIL

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, there is a couple of old sayings around. One is that the check is in the mail and, two, I am from the Federal Government and help is on the way.

Well, Mr. Speaker, I am happy to announce to my fellow hard-working Nevadans that their check, their rebate check is truly in the mail. Nevadans can expect to see over \$292 million in tax relief arriving in their mailboxes this summer. Now, that is real help. This equates to an average tax rebate check of over \$420 for every hard-working taxpayer in the silver State.

It is about time. The people of Nevada and our great country have been paying far too much in taxes for far too long. Thanks to this bipartisan tax relief bill passed by this Congress and signed into law by President Bush, single taxpayers can expect tax rebates of up to \$300 and married tax filers can expect up to \$600 in tax relief.

This money can go toward paying the mortgage, a car loan, or a new washing machine or even gasoline for one's car. These tax rebate checks are just the beginning. Americans can expect additional tax relief over the next 10 years. Mr. Speaker, this time Nevadans can be assured that their check their overpayment in taxes is in the mail.

THANKS TO PRESIDENT BUSH FOR TAX REBATES

(Mr. SAM JOHNSON of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SAM JOHNSON of Texas. Mr. Speaker, I am glad he talked about tax relief, because that is what I want to emphasize, too.

Thanks to President George W. Bush, for those who paid taxes for the year 2000, the check is in the mail. Taxpayers are likely to receive a \$300 check in the mail if they are single, a \$500 check if they are a single parent, and a \$600 check if they are married. No one has to even fill out forms, or file anything. They just have to check their mailbox this summer.
