#### S. CON. RES. 80

Whereas clean water is a natural resource of tremendous value and importance to the United States;

Whereas there is resounding public support for protecting and enhancing the quality of the rivers, streams, lakes, wetland, and marine water of the United States;

Whereas maintaining and improving water quality is essential to protecting public health, fisheries, wildlife, and watersheds, and to ensuring abundant opportunities for public recreation and economic development;

Whereas it is a national responsibility to provide clean water for future generations;

Whereas substantial progress has been made in protecting and enhancing water

quality since the date of enactment, in 1972, of the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.) due to concerted efforts by Federal, State, and local governments, the private sector, and the public;

Whereas serious water pollution problems persist throughout the United States and significant challenges lie ahead in the effort to protect water resources from point sources and nonpoint sources of pollution;

Whereas further development and innovation of water pollution control programs and advancement of water pollution control research, technology, and education are necessary and desirable; and

Whereas October 2002 is the 30th anniversary of the enactment of the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.):

Now, therefore be it  
*Resolved by the Senate (the House of Representatives concurring),* That, as the United States marks the 30th anniversary, in October 2002, of the enactment of the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), Congress encourages the people of the United States and all levels of government to recognize and celebrate the accomplishments of the United States under, and to recommit to achieving the goals of, that Act.

Mr. LEAHY. Mr. President, I am pleased to cosponsor this resolution to grant honorary citizenship to the Marquis de Lafayette.

Aside from being a hero of the American Revolution, the Marquis de Lafayette is known for the grand tour he took of the new Republic in the 1820's. During his visit to Vermont in 1825, a town was renamed as Fayetteville until it was changed again to Newfane in 1882.

He also laid the cornerstone of the Old Mill, a historic building on the University of Vermont's campus. The school now honors his memory with a statue on campus.

It is not inappropriate, at a time when we are engaged in a struggle against international terrorism, we recall that even in our infancy, this country has always had friends and allies from other parts of the world. After two hundred years, the world has gotten smaller and our international allies and coalition partners are essential to our long term success in the difficult times ahead. We should never forget this nation's friends.

Mr. REID. Mr. President, I ask unanimous consent that the joint resolution
