

dropped so low that it is not feasible. But they want to keep the lease open. So they make payments.

Under the provision in the bill, we say those payments are expensed over 2 years. Frankly, they should be expensed in the year made.

I might note we passed countless amendments that said let us give a tax credit for this. We will reduce taxes substantially; in other words, have the taxpayers subsidize it. In this case, we are not looking for subsidies. If somebody writes a check, we are asking that they be able to expense that check.

Frankly, the provision in the Senate bill is over 2 years. It should be 1 year. When you write the check "for lease payment," you could have an example where somebody has a lease to drill someplace, and a political obstruction has arisen—maybe State, maybe Federal, maybe whatever—and they are not able to commence exploration. But if they don't make payments, they would lose the lease. They should be able to expense those payments in the year made.

The bill before us says they should be able to expense it in 2 years. That is more than defensible.

I urge my colleagues to vote in favor of the motion to table the Graham amendment.

I move to table the Graham amendment, and I ask for the yeas and nays.

#### NATIONAL LABORATORIES PARTNERSHIP IMPROVEMENT ACT OF 2001—Continued

Mr. REID. Mr. President, I should advise all Members that we are now at the end of the debate time on this piece of legislation. We are now going to start a series of votes. We could have as many as 12 votes. We will try to complete within the time set. Everyone should try to stay as close to the Chamber as possible for this very long and arduous task of completing the bill today.

This will be the end of 6 weeks that the two managers have worked on this bill.

I ask unanimous consent that when the vote sequence commences there be 2 minutes between each vote with the time equally divided and controlled in the usual form; that no other amendments be in order; that no points of order be considered waived by this agreement; and that all votes after the first vote on the Harkin amendment be 10 minutes each.

The PRESIDING OFFICER (Mr. CARPER). Without objection, it is so ordered.

The PRESIDING OFFICER. Is there objection?

The Chair hears none, and it is so ordered.

#### NOT VOTING—1

Helms

The amendment (No. 3195) was agreed to.

Mr. COCHRAN. I move to reconsider the vote.

Mr. LOTT. I move to lay that motion on the table.

The motion to lay on the table was agreed to.

#### AMENDMENT NO. 3198

The PRESIDING OFFICER. There will now be 2 minutes equally divided prior to the vote on the motion to table the amendment by the Senator from Delaware. Who yields time?

Mr. CARPER. I yield 30 seconds to the Senator from Pennsylvania.

Mr. SPECTER. Mr. President, in my 30 seconds, I emphasize the point that this amendment is a significant step toward freeing the United States from dependence on OPEC oil. The front page of today's New York Times contains a statement by the Crown Prince of Saudi Arabia that, if necessary, to blackmail the United States to change our policy toward Israel, Saudi Arabia is prepared to move to the right of bin Laden. Saudi Arabia gave us bin Laden, and 15 of the 19 terrorists from 9-11. Vote for this amendment.
