The concurrent resolution (S. Con. Res. 102) was agreed to.

The preamble was agreed to.

The concurrent resolution, with its preamble, reads as follows:

S. CON. RES. 102

Whereas unintentional injury is the number 1 killer of children under 15 years of age;

Whereas in 2000, more than 373,000 children under 15 years of age were treated in hospital emergency rooms for bicycle-related injuries, and more than 16,600 children under 15 years of age were treated for equestrian-related injuries;

Whereas more than 40 percent of all bicycle-related deaths are due to head injuries, approximately three-fourths of all bicycle-related head injuries occur among children under 15 years of age, and 60 percent of all equestrian-related deaths are related to head injury;

Whereas the single most effective safety device available to reduce head injury and death from bicycle and equestrian accidents is a properly fitted and safety certified helmet;

Whereas national estimates report that helmet use among child bicyclists is only between 15 and 25 percent;

Whereas every dollar spent on a bicycle helmet saves this Nation \$30 in direct medical costs and other costs to society;

Whereas there is no national safety standard in place for equestrian helmets;

Whereas the National Safe Kids Campaign supports efforts to reduce equestrian-related head injuries;

Whereas the National Safe Kids Campaign promotes childhood injury prevention by uniting diverse groups into State and local coalitions, developing innovative educational tools and strategies, initiating legislative changes, promoting new technology, and raising awareness through the media; and

Whereas the National Safe Kids Campaign, with the support of founding sponsor Johnson & Johnson, has planned special childhood injury prevention activities and community-based events for National Safe Kids Week 2002, which will focus on the prevention of wheel-related traumatic brain injuries: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That Congress—

(1) proclaims the week of May 4 through May 11, 2002, as "National Safe Kids Week";

(2) supports the efforts and activities of the National Safe Kids Campaign to prevent childhood injuries, including bicycle-related traumatic brain injuries and equestrian-related brain injuries; and

(3) requests that the President issue a proclamation calling upon the people of the United States to observe National Safe Kids Week with appropriate ceremonies and activities.

NATIONAL CHILDREN'S MEMORIAL DAY

The Senate proceeded to consider the resolution (S. Res. 109) designating the second Sunday in the month of December as "National Children's Memorial Day" and the last Friday in the month of April as "Children's Memorial Flag Day."

The resolution (S. Res. 109) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 109

Whereas approximately 80,000 infants, children, teenagers, and young adults of families living throughout the United States die each year from myriad causes;

Whereas the death of an infant, child, teenager, or young adult of a family is considered to be one of the greatest tragedies that a parent or family will ever endure during a lifetime;

Whereas a supportive environment, empathy, and understanding are considered critical factors in the healing process of a family that is coping with and recovering from the loss of a loved one; and

Whereas April is National Child Abuse Prevention month: Now, therefore, be it

Resolved,

SECTION 1. DESIGNATION OF NATIONAL CHILDREN'S MEMORIAL DAY AND CHILDREN'S MEMORIAL FLAG DAY.

The Senate—

(1) designates the second Sunday in the month of December as "National Children's Memorial Day" and the last Friday in the month of April as "Children's Memorial Flag Day"; and

(2) requests that the President issue a proclamation calling upon the people of the United States to—

(A) observe "National Children's Memorial Day" with appropriate ceremonies and activities in remembrance of the many infants, children, teenagers, and young adults of families in the United States who have died; and

(B) fly the Children's Memorial Flag on "Children's Memorial Flag Day".

The title was amended so as to read: "Designating December 8, 2002, as 'Na-

tional Children's Memorial Day' and April 26, 2002, as 'Children's Memorial Flag Day'."

NATIONAL OCCUPATIONAL SAFETY AND HEALTH WEEK

The Senate proceeded to consider the resolution (S. Res. 245) designating the week of May 5 through May 11, 2002, as "National Occupational Safety and Health Week."

The resolution (S. Res. 245) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 245

Whereas every year, more than 6,000 people die from job-related injuries and millions more suffer occupational injuries or illnesses;

Whereas every day, millions of people go to and return home from work safely due, in part, to the efforts of many unsung heroes—the occupational safety, health, and environmental professionals who work day in and day out identifying hazards and implementing safety advances in all industries and at all workplaces, thereby reducing workplace fatalities and injuries;

Whereas these safety professionals work to prevent accidents, injuries, and occupational diseases, create safer work and leisure environments, and develop safer products;

Whereas the more than 30,000 members of the 90-year-old nonprofit American Society of Safety Engineers, based in Des Plaines, Illinois, are safety professionals committed to protecting people, property, and the environment globally;

Whereas the American Society of Safety Engineers, in partnership with the Canadian Society of Safety Engineers, has designated May 5 through May 11, 2002, as North American Occupational Safety and Health Week (referred to in this resolution as "NAOSH week");

Whereas the purposes of NAOSH week are to increase understanding of the benefits of investing in occupational safety and health, to raise the awareness of the role and contribution of safety, health, and environmental professionals, and to reduce workplace injuries and illnesses by increasing awareness and implementation of safety and health programs;

Whereas during NAOSH week the focus will be on hazardous materials—what they are, emergency response information, the skills and training necessary to handle and transport hazardous materials, relevant laws, personal protection equipment, and hazardous materials in the home;

Whereas over 800,000 hazardous materials are shipped every day in the United States, and over 3,100,000,000 tons are shipped annually; and

Whereas the continued threat of terrorism and the potential use of hazardous materials make it vital for Americans to have information on these materials: Now, therefore, be it

Resolved, That the Senate—

(1) designates the week of May 5 through May 11, 2002, as "National Occupational Safety and Health Week";

(2) commends safety professionals for their ongoing commitment to protecting people, property, and the environment;

(3) encourages all industries, organizations, community leaders, employers, and employees to support educational activities aimed at increasing awareness of the importance of preventing illness, injury, and death in the workplace; and

(4) requests that the President issue a proclamation calling on the people of the United States to observe "National Occupational Safety and Health Week" with appropriate ceremonies and activities.
