TEXAS LEGISLATORS

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, last week was a week. Fifty-five Texans decided that it was their job to represent their constituents, that the process of government in Austin was there to undermine the representation of their constituents.

I want to again applaud the 55 who had the courage to realize that the cutting of children's health care and Medicaid was not the kind of legislative process they wanted to engage in and to stand up against an intercession, intermediary redistricting so that the people of Texas could be represented.

Mr. Speaker, I think it is important now that we look back, that we make sure that the Federal resources did not inappropriately interfere with the constitutional privilege of elected State legislators in Texas. I believe it was imperative that my colleagues sent a letter to Secretary Ridge to get all of the documentation, including the tapes, that will show us whether or not the Homeland Security Department was utilized against these brave souls. It is important for the government to raise the shades and light the sunshine to tell the truth on what happened last week.

SPECIAL ORDERS

The SPEAKER pro tempore (Mr. MILLER of Florida). Under the Speaker's
