The accompanying bill establishes a process for property closure and disposal in accordance with the Defense Base Closure and Realignment Act of 1990 (title XXIX of Public Law 101-510; U.S.C. 2687 note).

The conferees included a general provision (Section 8138) which amends Senate language regarding a report from the Secretary of Defense on contractual offset agreements with foreign countries.

The conferees concur with the intent of Senate section 8169 and direct that not later than 30 days after the date of the enactment of this Act, the Secretary of Defense shall submit to the Committees on Appropriations of the House and the Senate, a report on contracts for reconstruction and other services in Iraq that are funded in whole or in part with funds available to the Department of Defense. The report shall detail:

(2) The process and standards for awarding limited or sole-source contracts, including the criteria for justifying the awarding of such contracts;

(3) Any policies that the Secretary has implemented or plans to implement to provide for independent oversight of the performance by a contractor of services in designing and awarding such contracts;

(7) A good faith estimate of the expected costs and duration of all contracts for reconstruction or other services in Iraq.
