By Mr. INOUE:

S. 1653. A bill to ensure that recreational benefits are given the same priority as hurricane and storm damage reduction benefits and environmental restoration benefits; to the Committee on Environment and Public Works.

Mr. INOUE. Mr. President, I rise to introduce the National Beach Recreation and Economic Benefits Act. This measure would require the U.S. Army Corps of Engineers, Army Corps, to give recreational benefits the same priority as hurricane and storm damage reduction benefits when justifying beach restoration projects.

The Army Corps performs a valuable service in protecting our nation's beaches against erosion. They have effectively restored and repaired damaged beaches for over the past 50 years. Unfortunately, under current policy,

the Army Corps only authorizes and funds beach restoration projects that protect property against storm and hurricane damage. The Army Corps does not recommend authorization or funding of beach restoration projects that only provide recreational benefits.

Beaches help support tourism and serve as an important source of fun for many Americans who seek inexpensive recreation. Many of these beaches are not eligible for beach restoration because they lack sufficient structural development along coastlines to warrant a restoration project solely on the basis of storm or hurricane damage reduction. While local governments and communities have taken proactive measures to avert flood damage, they are being denied the much needed beach restoration assistance by the Army Corps.

In addition, by limiting beach restoration projects to storm and hurricane damage reduction, the Army Corps has established a policy that inadvertently aids more developed shorelines than others. The method for determining storm and hurricane damage reduction benefits is based on the assessed value of the private property and public infrastructure immediately adjacent to the beach. Therefore, the benefits will be much higher for densely developed shorelines than less densely developed shorelines. For example, a high-rise residential condominium or hotel would provide more storm reduction benefits than a single family home.

Accordingly, the National Beach Recreation and Economic Benefits Act will ensure that recreation benefits are accorded the same considerations as storm and hurricane damage reduction benefits. I urge my colleagues to support this measure. I ask unanimous consent that the text of my bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 1653

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

TITLE II—DC STUDENT OPPORTUNITY SCHOLARSHIP ACT OF 2003

SECTION 1. SHORT TITLE.

This Act may be cited as the "DC Student Opportunity Scholarship Act of 2003".

SEC. 2. FINDINGS.

The Congress finds the following:

(1) Parents are best equipped to make decisions for their children, including the educational setting that will best serve the interests and educational needs of their child.

(2) For many parents in the District of Columbia, available educational alternatives to the public schools are inadequate, and more educational options are needed. In particular, funds are needed to assist low-income parents to exercise choice among enhanced public opportunities and private educational environments, whether religious or nonreligious.

(3) In the most recent mathematics assessment on the National Assessment of Educational Progress (NAEP), administered in 2000, a lower percentage of 4th-grade students in the District of Columbia demonstrated proficiency than was the case for any State. Seventy-six percent of the District of Columbia fourth-graders scored at the "below basic" level and of the 8th-grade

students in the District of Columbia, only 6 percent of the students tested at the proficient or advanced levels, and 77 percent were below basic. In the most recent NAEP reading assessment, in 1998, only 10 percent of the District of Columbia fourth-graders could read proficiently, while 72 percent were below basic. At the 8th-grade level, 12 percent were proficient or advanced and 56 percent were below basic.

(4) A program enacted for the valid secular purpose of providing educational assistance to low-income children in a demonstrably failing public school system is constitutional under *Zelman v. Simmons-Harris*, 536 U.S. 639 (2002), if it is neutral with respect to religion and provides assistance to a broad class of citizens who direct government aid to religious and secular schools solely as a result of their genuine and independent private choices.

(5) The Mayor of the District of Columbia and the President of the District of Columbia Board of Education support this Act.

(6) This Act provides additional money for the District of Columbia public schools and therefore money for vouchers is not being taken out of money that would otherwise go to the District of Columbia public schools.

(7) This Act creates a 5-year pilot program tailored to the current needs and particular circumstances of low-income children in District of Columbia schools. This Act does not establish parameters or requirements for other school choice programs.

SEC. 3. PURPOSE.

The purpose of this Act is to provide low-income parents residing in the District of Columbia, particularly parents of students who attend elementary schools or secondary schools identified for improvement, corrective action, or restructuring under section 1116 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6316), with expanded opportunities for enrolling their children in higher-performing schools in the District of Columbia.

SEC. 4. GENERAL AUTHORITY.

(a) AUTHORITY.—From funds appropriated to carry out this Act, the Secretary shall award grants on a competitive basis to eligible entities with approved applications under section 5 to carry out activities to provide eligible students with expanded school choice opportunities. (b) DURATION OF GRANTS.—The Secretary may make grants under this section for a period of not more than 5 years.

gives weight to the priorities described in section 6;

(C) how the entity will ensure that if more participating eligible students seek admission to a participating school than the school can accommodate, participating eligible students are selected for admission through a random selection process;

(D) how the entity will notify parents of eligible students of the expanded choice opportunities and how the entity will ensure that parents receive sufficient information about their options to allow the parents to make informed decisions;

(E) the activities that the entity will carry out to provide parents of eligible students with expanded choice opportunities through the awarding of scholarships under section 7(a);

(F) how the entity will determine the amount that will be provided to parents for the tuition, fees, and transportation expenses, if any;

(G) how the entity will seek out private elementary schools and secondary schools in the District of Columbia to participate in the program, and will ensure that participating schools will meet the applicable requirements of this Act (including those related to the admission of participating eligible students) and provide the information needed for the entity to meet the reporting requirements of this Act;

(H) how the entity will ensure that participating schools are financially responsible and will use the funds received under this title effectively;

(I) how the entity will address the renewal of scholarships to participating eligible students, including continued eligibility; and

(J) how the entity will ensure that a majority of its voting board members or governing organization are residents of the District of Columbia; and

(2) an assurance that the entity will comply with all requests regarding any evaluation carried out under section 9.

#### SEC. 6. PRIORITIES.

In awarding grants under this Act, the Secretary shall give priority to applications from eligible entities who will most effectively—

(1) give priority to eligible students who, in the school year preceding the school year for which the eligible student is seeking a scholarship, attended an elementary school or secondary school identified for improvement, corrective action, or restructuring under section 1116 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6316);

(2) target resources to students and families that lack the financial resources to take advantage of available educational options; and

(3) provide students and families with the widest range of educational options.

(1) IN GENERAL.—Subject to paragraphs (2) and (3), a grantee shall use the grant funds to provide eligible students with scholarships to pay the tuition, fees, and transportation expenses, if any, to enable them to attend the District of Columbia private elementary school or secondary school of their choice. Each grantee shall ensure that the amount of any tuition or fees charged by a school participating in the grantee's program under this Act to an eligible student participating in the program does not exceed the amount of tuition or fees that the school customarily charges to students who do not participate in the program.

(2) PAYMENTS TO PARENTS.—A grantee shall make scholarship payments under the program under this Act to the parent of the eli-

(b) ADMINISTRATIVE EXPENSES.—A grantee may use not more than 3 percent of the amount provided under the grant each year for the administrative expenses of carrying out its program under this Act during the year, including—

(1) determining the eligibility of students to participate;

(2) providing information about the program and the schools involved to parents of eligible students;

(3) selecting students to receive scholarships;

(4) determining the amount of scholarships and issuing the scholarships to eligible students;

(5) compiling and maintaining financial and programmatic records; and

(b) APPLICABILITY AND SINGLE SEX SCHOOLS, CLASSES, OR ACTIVITIES.—

(1) APPLICABILITY.—Notwithstanding any other provision of law, the prohibition of sex discrimination in subsection (a) shall not apply to a participating school that is operated by, supervised by, controlled by, or connected to a religious organization to the extent that the application of subsection (a) is inconsistent with the religious tenets of the school.

(2) SINGLE SEX SCHOOLS, CLASSES, OR ACTIVITIES.—Notwithstanding subsection (a) or any other provision of law, a parent may choose and a school may offer a single sex school, class, or activity.

(c) CHILDREN WITH DISABILITIES.—Nothing in this Act may be construed to alter or modify the provisions of the Individuals with Disabilities Education Act.

##### (d) RELIGIOUSLY AFFILIATED SCHOOLS.—

(2) MAINTENANCE OF PURPOSE.—Notwithstanding any other provision of law, funds made available under this Act to eligible students that are received by a participating

school, as a result of their parents' choice, shall not, consistent with the first amendment of the United States Constitution, necessitate any change in the participating school's teaching mission, require any participating school to remove religious art, icons, scriptures, or other symbols, or preclude any participating school from retaining religious terms in its name, selecting its board members on a religious basis, or including religious references in its mission statements and other chartering or governing documents.

(e) RULE OF CONSTRUCTION.—A scholarship (or any other form of support provided to parents of eligible students) under this Act shall be considered assistance to the student and shall not be considered assistance to the school that enrolls the eligible student. The amount of any scholarship (or other form of support provided to parents of an eligible student) under this Act shall not be treated as income of the parents for purposes of Federal tax laws or for determining eligibility for any other Federal program.

#### SEC. 9. EVALUATIONS.

**PERMANENT SUBCOMMITTEE ON INVESTIGATIONS**

Mr. COLEMAN. Mr. President, I would like to announce for the information of the Senate and the public

that the Permanent Subcommittee on Investigations of the Committee on Governmental Affairs will hold a hearing entitled "Privacy & Piracy: The Paradox of Illegal File Sharing on Peer-to-Peer Networks and the Impact of Technology on the Entertainment Industry." At the September 30 hearing, the Subcommittee intends to take testimony regarding the music industry's initial salvo of copyright infringement lawsuits and its amnesty program; what steps the music industry is taking besides litigation to preserve its intellectual property in this digital age; whether those steps unduly infringe upon consumer's privacy rights; how peer-to-peer networks plan to move from a business model predicated upon stealing copyrighted works to a business model based upon trading licensed music, movies and software; how the illegal trading of copyrighted works has hurt the music industry; and how to inform and educate a whole generation of children and young adults that trading copyrighted music on peer-to-peer networks is illegal.

The hearing will take place on Tuesday, September 30, 2003, at 10 a.m. in room 342 of the Dirksen Senate Office Building. For further information, please contact Raymond V. Shepherd III, Staff Director of the Subcommittee, at 224-3721.
