PERSONAL EXPLANATION

Mr. STRICKLAND. Mr. Speaker, last Thursday I was unavoidably absent

from the Chamber. Had I been present, I would have voted "no" on rollcall 66 and 67, and "yes" on rollcall 68, 69, 70, and 71.

U.S. MUST REMAIN ENGAGED IN ISRAELI-PALESTINIAN CRISIS

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, one really does not know where to begin. In February of 2001, I went to the floor of the House and literally begged the President of the United States, duly inaugurated, to remain engaged in the Palestinian and Israeli crisis. The response of the administration at that time was let them fight it out. So I again come to this floor and indicate that if we are to have peace in the Mideast, the United States of America must be engaged in a reconciliation and a resolution of that crisis. Lives are being lost, futures are being denied, because we are not engaged in activating either the road map or an opportunity for there to be peace negotiations in that region.

Then, Mr. Speaker, might I comment very briefly on an editorial by Governor Jeb Bush that indicted the Congressional Black Caucus because of its concern for Haiti and its concern for a duly democratically elected leader. I would ask Governor Bush to take and pay attention to democracy in his State so that he will be able to have standing to criticize anybody who wants to support democracy in Haiti.

PASS CRANE-RANGEL FOR INCREASED INCENTIVES FOR MANUFACTURING

(Mr. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BROWN of Ohio. Mr. Speaker, President Bush was in my home State of Ohio in Cleveland near my district a week or so ago trying to justify his economic policy. Ohio has lost 300,000 jobs since President Bush took office. That is 2,000 jobs a week, 260 jobs every day. One out of six manufacturing jobs has simply disappeared in Ohio.

His response is more tax cuts for the most wealthy in society, with trickle-down economics, hoping that it might create some jobs and trade agreements that ship more jobs overseas. It is not working.

Mr. Speaker, this House of Representatives should pass the Crane-Rangel bill, which will give incentives to American manufacturing to grow their manufacturing jobs here. This Congress should pass that instead of what President Bush has tried: old trickle-down economics, which is not working.
