PLAY THE TAPES

(Mr. McDERMOTT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. McDERMOTT. Madam Speaker, it is time to play the tapes. Members of the administration seem to be rewriting history. The Secretary of State does not remember that the President forgot to tell him about the secret run-up to the war in Iraq. The Secretary of War does remember he often says what Bob Woodward quotes him as saying, but the Secretary cannot remember saying at that time. What is a person to do?

If the President were faced with this predicament, he would consult a higher authority. Our higher authority is closer, and he can speak without the need of a burning bush. Mike Wallace said on "60 Minutes" Sunday night he heard the tapes and read the transcripts for the book "Plan of Attack." There is a record.

If Mike Wallace can listen to the tapes, so can we. The House should have hearings for the American people. The secret war is not secret any longer. Let Americans decide what the truth is. Play the tapes in open session. Let the truth be heard, not staged.

THE PRESIDENT'S POLICIES ARE NOT WORKING

(Mr. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BROWN of Ohio. Madam Speaker, the numbers are out again. Ohio and most of the rest of the country continue to lose manufacturing jobs. One out of six manufacturing jobs in my State has disappeared since President Bush took office. The President's solution and the solution for our government continue to be the same: more tax cuts and trickle-down economics tax cuts for the most privileged in our country with the hope that maybe some will trickle down and create jobs. That has not worked, or more trade agreements like NAFTA which ship jobs overseas, which does not work. The President refuses to extend unemployment compensation benefits to millions of Americans, literally over a million Americans who have had their unemployment benefits run out in the last 4 months; and the President refuses to extend those.

Madam Speaker, we should extend unemployment benefits, we should pass employment agreements that create jobs, and instead of tax cuts for the wealthy, we should do focused tax cuts that reward those manufacturers that create jobs in this country.

IMPLEMENT SYRIA ACCOUNTABILITY ACT

(Mr. ENGEL asked and was given permission to address the House for 1
