I further ask that following the prayer and pledge, the morning hour be deemed expired, the Journal of proceedings be approved to date, the time for the two leaders be reserved for their use later in the day, and the Senate then begin a period of morning business for up to 60 minutes, with the first half hour under the control of the majority leader or his designee, and the second half hour under the control of the minority leader or his designee; provided that following morning business, the Senate begin consideration of S. 1248, the IDEA reauthorization bill as provided under the previous order.

The PRESIDING OFFICER. The Senator from Nevada.

Mr. REID. Mr. President, through you to the distinguished majority whip, we have completed this bill. It has been a long struggle. Everybody is happy that it is done. We also are going to pass the IDEA bill within the next couple of days. I see no reason we couldn't also complete the mental health parity legislation. I spoke with Senator DOMENICI and our leader. There is no reason we couldn't do that in a very short time period, a matter of just an hour or two. The only thing we are waiting on is the Senator from New Hampshire, Mr. GREGG, who has an amendment that deals with the scope of the bill. That is the only amendment people have indicated they want to deal with. As soon as we see that, we can agree on a time for that. This would be a remarkable week if we could complete three major pieces of legislation.

Mr. McCONNELL. I say to my friend from Nevada, it certainly would be good to be able to complete more legislation in the Senate. We are actively working on the bill that the Senator referred to, hoping to get that cleared

on this side. I hope that will be possible.

Mr. REID. I have no objection.

The PRESIDING OFFICER. Without objection, it is so ordered.

PROGRAM

Mr. McCONNELL. Mr. President, tomorrow following morning business, the Senate will begin consideration of the IDEA reauthorization bill. Under the previous agreement, there are up to eight amendments in order, in addition to the managers' amendment. The chairman and ranking member of the HELP Committee will be here tomorrow morning to begin working through these amendments. I would inform all Senators that rollcall votes are expected throughout the day as the Senate works toward passage of that important bill.

ADJOURNMENT UNTIL 9:30 A.M. TOMORROW

Mr. McCONNELL. Mr. President, if there is no further business to come before the Senate, I ask unanimous consent that the Senate stand in adjournment under the previous order.

There being no objection, the Senate, at 7:28 p.m., adjourned until Wednesday, May 12, 2004, at 9:30 a.m.
