

so that our nation could honor and formally pay its respects to the late former President Ronald Reagan.

While federal employees across the nation were granted a one-day paid "holiday" for this purpose, non-salaried Guest Services employees in the Longworth, Rayburn, and Cannon House Office Buildings were summarily barred from reporting to work, and GSI announced they would not be paid for this previously scheduled day of employment. Instead, GSI employees were told that they would be required to utilize an accrued vacation or sick day.

What GSI has done is to compel its employees to effectively pay GSI one day of wages for the National Day of Mourning. This is extraordinary. As a government contractor, GSI must have been aware of the possibility that Congress or the President could designate a one-day National Holiday shutting down the federal government at any time. But while the rest of the nation set aside June 11th to honor and pay solemn tribute to former President Reagan, GSI appears to have used the National Day of Mourning as a unique opportunity to extract compensation from its workforce in retaliation for a cost inherent in GSI's relationship with the government.

We do not believe this was appropriate or within the spirit of this historically important day. We request that you both pay your workers for the day of June 11th and return any vacation or sick leave utilized by employees in response to your policy. Your employees should be commended—not punished—for their hard work and dedication in service to the federal government and our nation.

We look forward to your prompt response to this request. Please do not hesitate to contact us with any questions.

Sincerely

TRIBUTE TO MR. DEREK WINANS

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 6, 2004

Mr. PAYNE. Mr. Speaker, it is with sorrow that I rise to inform my colleagues of the sudden passing of Derek T. Winans. Mr. Winans, a direct descendant of William Wheeler, a founder of Newark with Robert Treat in 1666, lived in my hometown of Newark for over 40 years. He was known for his deep commitment to civil rights and was a major figure in organizing and winning support for anti-poverty, alternative education, and community development programs.

He was a graduate of St. Paul's in Concord, NH, and of Harvard College. His senior thesis at Harvard received a magna cum laude. His own success in education inspired him to devote himself to providing similar opportunities

for the youth in our community. Derek founded the Newark Day Care Council/Springfield Avenue Community School, the Ironbound Community Corporation/Ironbound Children's Center, and the Community Mobilization Center. He was co-founder of the Newark Community Project for People with AIDS, served as secretary of the Newark Coordinating Council, was active with the Newark Community Union Project, and acted as a spokesperson and planner for many civil rights and community-based organizations in Newark. He worked as deputy director for the International Youth Organization (IYO), planning director of the United Community Corporation, and was the staff person for Councilman Donald Tucker during his founding of the NJ Black Issues Convention.

Derek was not only involved locally but he also made an impact nationally. He was very active with Congressman BARNEY FRANK of Massachusetts, a Harvard classmate, on the enactment of the Ryan White Legislation in the early 90's, which significantly increased funding for education and treatment of HIV and AIDS. Earlier this year the House of Representatives approved a proposal written by Derek: The New Jersey Underground Railroad Cultural Heritage Project, for which IYO is serving as the lead agency. It was my privilege to work with Derek not only on these two projects but many others mentioned earlier.

Derek loved public policy, believed in the power of people to govern well, and possessed a long history of civic and political involvement. He was an important figure in many New Jersey political campaigns, with State Assemblyman George Richardson, Mayor Ken Gibson, and the Newark City Council campaign of the late Jesse Allan. He was truly a great friend of mine.

Derek was the son of the late Elizabeth Carrington and James Dusenberry Winans. He is survived by his stepmother, Polly Dudley Winans Beischer of Lakewood, NJ; a brother, Pete Torrey Winans of Amelia Island, FL; two stepbrothers; a stepsister; and numerous nieces and nephews.

Mr. Speaker, I ask you to join me in remembering the life of this remarkable man, and I encourage my colleagues to join me in recalling his lifelong commitment to service, integrity, and compassion. I express my condolences to his family and friends as they grieve his passing.

HONORING THE DEDICATED SERVICE OF PAUL RUMLER

HON. BART GORDON

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 6, 2004

Mr. GORDON. Mr. Speaker, I rise today to recognize the tremendous contributions Paul Rumler has made to Tennessee's Sixth Congressional District. Paul has been an integral part of my Washington staff for the last few months, but he has moved on to greener pastures.

Paul was a versatile contributor in the office, lending a hand to constituent services and the development of legislation. His research on methamphetamine abuse played an important role in the development of H.R. 4636, the Methamphetamine Remediation Act.

During his time here, he quickly won over the staff as well as Middle Tennesseans who were visiting our Nation's Capitol. His easy-going attitude and gentlemanly demeanor made him a wonderful addition to the office.

Although my staff and I will miss his hard work and enthusiasm, we are happy for Paul as he embarks on his new journey. I wish him all the best.

WESTERN SHOSHONE CLAIMS DISTRIBUTION ACT

HON. RICHARD W. POMBO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 6, 2004

Mr. POMBO. Mr. Speaker, I request that the following letters between the Committee on Resources and the Committee on Ways and Means regarding H.R. 884, the Western Shoshone Claims Distribution Act, be submitted for the record under General Leave.

As you know, H.R. 884 passed the House under suspension of the rules on June 21, 2004. I wish to include these letters between the two Committees concerning the legislation as part of the RECORD.

HOUSE OF REPRESENTATIVES,
COMMITTEE ON RESOURCES,
WASHINGTON, DC, JUNE 3, 2004.

Hon. BILL THOMAS,
Chairman, Committee on Ways and Means,
Longworth House Office Building, Washington, DC.

DEAR MR. CHAIRMAN: I request your help in expediting consideration of H.R. 884, the Western Shoshone Claims Distribution Act, authored by Congressman Jim Gibbons. The bill authorizes the distribution of a monetary judgment awarded to the members of the Western Shoshone tribe in 1979 based on land claims against the United States and mismanagement of their tribal accounts by the federal government. The funds have been appropriated and have been accruing interest for over 20 years. Under current law, legislation is required before the tribal members can receive their awards and to establish an education trust fund for the tribe. The Committee on Resources favorably reported the bill on October 7, 2003.

H.R. 884 is the House companion measure to S. 618, which was passed by the Senate by unanimous consent on October 17, 2003. The Joint Tax Committee has determined that Section 3(c)(3) of the Senate bill contains revenue provisions and would be subject to a blueslip by your Committee. To avoid this Constitutional problem and to facilitate passage in the Senate, I wish to amend H.R. 884 with the text of S. 618 as passed by the Senate and have this considered by the House of Representatives under suspension of the rules next week.

I recognize the Committee on Ways and Means' jurisdictional interest in Section 3(c)(3) of the proposed amendment but ask that you allow H.R. 884 to go forward. I agree that by allowing the revised bill to be scheduled, the Ways and Means Committee does not relinquish any jurisdiction over H.R. 884 or similar legislation. I would also support your request to be represented on a conference on H.R. 884, if one should become necessary. Finally, I will include my letter and your response in the Congressional Record during Floor consideration of the measure.

The Western Shoshone have waited for over 25 years to receive their just awards, and Congressman Gibbons has been a tireless advocate on their behalf. We both appreciate

your cooperation on this measure and the able assistance of David Kavanaugh of your staff.

Sincerely,

RICHARD W. POMBO,
Chairman.

COMMITTEE ON WAYS AND MEANS, HOUSE
OF REPRESENTATIVES,
Washington, DC, June 17, 2004.

Hon. RICHARD W. POMBO,
*Chairman, Committee on Resources, Longworth
House Office Building, Washington, DC.*

DEAR CHAIRMAN POMBO: Thank you for your letter dated June 3, 2004, regarding H.R. 884, the "Western Shoshone Claims Distribution Act." As you have noted, the Committee on Ways and Means has jurisdiction over Section 3(c)(3) of S. 618, the Senate companion bill to H.R. 884. I appreciate your agreement to amend the text of H.R. 884 and include the language passed by the Senate, thus avoiding any potential Constitutional problems. Further, I appreciate your recognition that this agreement does not prejudice the jurisdictional interests and prerogatives of the Committee on Ways and Means on this provision or any other similar legislation, and it should not be considered as precedent for consideration of matters of jurisdictional interest to the Committee in the future.

Thank you for your assistance and cooperation with this issue. We look forward to working with you in the future.

Best regards,

BILL THOMAS,
Chairman.

HONORING THE MEMORY OF
AMELIA, OHIO NATIVE ARMY
SERGEANT CHARLES A. KISER,
WHO DIED IN IRAQ

HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 6, 2004

Mr. PORTMAN. Mr. Speaker, I rise to honor the memory of Army Sergeant Charles A. Kiser, a brave soldier, who died Thursday, June 24, 2004, in an explosion near Mosel, Iraq. Sergeant Kiser is a native of Clermont County, OH, an area I represent.

Sgt. Kiser grew up in Amelia, OH, attended St. Bernadette School, and began competing in track in the third grade. He graduated from McNicholas High School in 1985, where he was a champion sprinter and later a member of the University of Cincinnati's track team. It is said that he was one of the most talented sprinters ever at U.C. Several of Sgt. Kiser's records still stand at U.C., including the 300 yard dash indoors and the 300 meters.

After a year at the University of Cincinnati, he left to join the Navy. He spent 7 years in active duty, mostly in Italy, where he met his wife, Debbie, who was also in the Navy. Sgt. Kiser followed that with 7 years in the Naval Reserve.

They settled in Wisconsin, and had two children, Alicia and Mark. Two years ago, Sgt. Kiser joined the Army Reserve and trained at Ft. McCoy, Wisconsin. He left for Iraq in late 2003 with the 330th Military Police Detachment, based in Sheboygan.

Close to his family, Sgt. Kiser grew up with six women: his mother and five sisters, all of whom still live in the Clermont County area. Last night, there was a community-wide cele-

bration of Sgt. Kiser's life at the Clermont County Courthouse in Batavia.

All of us in the Cincinnati area are grateful for Sgt. Kiser's service to our country, and express our deepest sympathy to his family and many friends.

THOMAS F. FARLEY RETIRES AS
DISTRICT ADMINISTRATOR FOR
THE VIRGINIA DEPARTMENT OF
TRANSPORTATION'S NORTHERN
VIRGINIA DISTRICT

HON. FRANK R. WOLF

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 6, 2004

Mr. WOLF. Mr. Speaker, I rise today to recognize the contributions of Tom Farley to transportation efforts in northern Virginia. For the past 11 years, Tom has served as district administrator for the Virginia Department of Transportation's (VDOT) northern Virginia district which is the most populated and congested area of the Commonwealth.

District administrator for northern Virginia is a difficult job which often bears the brunt of public scrutiny. He is often on the front line when someone has a complaint about roads, snow, or potholes. Nevertheless, Tom has excelled because he is adept at bringing people together to find transportation solutions.

In the course of his career, Tom has worked with hundreds of citizens, homeowners, community groups, and elected officials. Tom has personally been a friend to me and helped with many projects that have benefitted the 10th District. He has also been involved in almost every major transportation issue in northern Virginia in the past 11 years including the Springfield Interchange, the new Woodrow Wilson Bridge, Route 50 traffic calming, the Fairfax County Parkway, and the Capital Beltway Safety Study.

I want to thank Tom for his contributions to northern Virginia and wish him the best as he retires from VDOT knowing that he has been a true public servant to the people of Virginia.

TRIBUTE TO COUNCIL MEMBER-
AT-LARGE, DONALD K. TUCKER

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 6, 2004

Mr. PAYNE. Mr. Speaker, I rise today to honor a distinguished public servant from my district. It gives me a great deal of pleasure to recognize Councilman Donald Tucker for his 30 years of service to the City of Newark. This is a major accomplishment, and its celebration is a well deserved honor for Councilman Tucker. Having served on the City Council and Southward Democratic Committee with Councilman Tucker, I can attest to his dedication to our community and would like to share a few of his many passions, projects, and accomplishments with you today.

Since 1974, Councilman Tucker has devoted his time and energy to the pursuit of enhancing the quality of life for the residents of Newark. As the senior member of the City Council, he has the historical perspective that

makes him a nationally prominent municipal leader. In addition to serving as the President of the National Black Caucus of Local Elected Officials (NBCLEO) for four years, he was on the Executive Board of the National League of Cities. He has been pro-active in his efforts to assist in making Newark a "Model City." Councilman Tucker is founder and State Chairman of the renowned Black Issues Convention (NJBIC). Under his leadership, NJBIC is the longest serving State Black Issues Convention in the country. He is the main operative of the annual "Newark Day" observance in Atlantic City during the State League of Municipalities Convention.

In addition to his duties as a Councilman, Donald Tucker finds time to serve the community in other ways. He serves on several advisory boards and has received numerous awards and citations for his dedicated service. Always an advocate for children and senior citizens, Councilman Tucker is the founder of The Centre, Inc., a community services multi-purpose center that serves these individuals.

I salute Councilman Tucker for his dedication to our community and I am proud to have him in my district. Mr. Speaker, please join me in extending my thanks to Councilman Tucker, and I invite my colleagues to join me in sending our sincere congratulations and best wishes as he celebrates 30 years of service to Newark's deserving citizens.

PAYING TRIBUTE TO FRANCIS S.
CURREY FOR HIS HEROIC SERVICE

HON. MAURICE D. HINCHEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 6, 2004

Mr. HINCHEY. Mr. Speaker, I rise today to recognize and honor Francis S. Currey for his heroic service during the Second World War. I am very pleased to submit this tribute to Sergeant Currey, as the Town of Fallsburg in Sullivan County, New York prepares to celebrate "Francis Currey Day," designated for July 10, 2004. The day of festivities will pay homage to the outstanding and invaluable service that Sergeant Currey provided to our nation during World War II, which earned him the Medal of Honor. Mr. Currey is the only living native of Sullivan County to have received this distinguished award.

The details of Sergeant Currey's courageous actions are chronicled in a citation dated July 27, 1945 and signed by President Harry S. Truman. At the time of the events depicted in the citation, Francis Currey was nineteen years of age. It reads as follows:

"Sergeant Francis S. Currey, U.S. Army, Company K, 3rd Battalion, 120th Infantry, 30th Infantry Division. He was an automatic rifleman with the 3rd Platoon defending a strong point near Malmedy, Belgium, on 21 December 1944, when the enemy launched a powerful attack. Overrunning tank destroyers and antitank guns located near the strong point, German tanks advanced to the 3rd Platoon's position and, after prolonged fighting, forced the withdrawal of this group to a nearby factory. Sergeant Currey found a bazooka in the building and crossed the street to secure rockets meanwhile enduring intense fire from enemy tanks and hostile infantrymen who had
