TRIBUTE TO PRIVATE FIRST
CLASS DEVIN GRELLA

HON. RALPH REGULA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2004

Mr. REGULA. Mr. Speaker, I rise to acknowledge Devin Grella, a constituent from the 16th District of Ohio, who sacrificed his life fighting for our country. Private First Class Devin Grella of the 706th Transportation Company of the Army Reserve died when incendiaries exploded near his convoy.

A graduate of Medina High School, Pfc Grella was an Eagle Scout in Boy Scout Troop 503 and was active in choir and athletics, participating in both cross-country and lacrosse. Everyone who knew him regarded him as a happy, gentle, and caring man. After his term of service, he planned to go to college in Utah and join ROTC in order to become an officer.

This exceptional young man exhibited valor and a commitment to serving our country. Without people of Pfc Grella's quality, the Nation would fail to carry out its task as a protector of freedom.

My deepest sympathy and prayers are extended to his family and friends who are now in mourning. I pray for the safety of our servicemen and women and thank them for their dedication to the defense of our Nation.

HONORING "MOTHER FAIRFAX"
MARTHA PENNINO

HON. JAMES P. MORAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2004

Mr. MORAN of Virginia. Mr. Speaker, on September 17th, Fairfax County, Virginia lost one of its most important and influential citizens when Martha Pennino, known as "Mother Fairfax", passed away. Through her leadership, Mrs. Pennino helped oversee the development of Fairfax County into one of the most prosperous and diverse jurisdictions in the Nation.

From 1968 to 1991 Martha Pennino served on the Fairfax County Board of Supervisors, including 17 years as the Vice Chairman. As the representative of the Centreville District, Mrs. Pennino worked tirelessly for her constituents. During her tenure she was involved in most of the major decisions affecting the County, and was instrumental in seeing Reston develop into a successful planned community. Her work also saw the development of projects including the Dulles Toll Road, South Lakes High School, and the Reston Regional Library. She helped create a sense of community for all those living in her district.

Martha Pennino will best be remembered by the citizens of Fairfax County for her commitment to the poor and homeless in her community. She opened her office at night for people without a home and provided them a bed and a warm place to rest. She created a homeless shelter in her district and ensured that with the enormous development occurring in Fairfax County there would be low-cost housing options for those who needed it. Martha Pennino also helped establish the Fairfax County Human Rights Commission to help fight discrimination throughout the County. While Fairfax County grew, she wanted to ensure that every person could be a part of this vibrant community.

In honor of her work to help all the residents of Fairfax County and for being an instrumental part in the growth of the County, I ask that the Reston Post Office be named after Martha Pennino. It is imperative that we honor and remember this remarkable woman.

FREEDOM FOR MIJAIL BARZAGA
LUGO

HON. LINCOLN DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2004

Mr. LINCOLN DIAZ-BALART of Florida. Mr. Speaker. I rise today to speak about Mijail Barzaga Lugo, a political prisoner in totalitarian Cuba.

Mr. Barzaga Lugo is an independent journalist in totalitarian Cuba. He believes in writing and publishing the truth, including about the nightmare that is the Castro regime. In his quest to disseminate the facts about the politics of repression practiced by the tyrant, Mr. Barzaga Lugo has written for various publications, including Cubanet. However, the dictatorship mandates propaganda and the tyrant's thugs arrest and imprison the brave independent journalists who peacefully publish the truth about the decrepit regime.

In March 2003, as part of Castro's brutal crackdown on peaceful pro-democracy activists, Mr. Barzaga Lugo was arrested. In the sham trial that followed, he was sentenced to 15 years in the abhorrent totalitarian gulag.

According to Amnesty International, the sham trial verdict read, in part, "Mijail Barzaga Lugo, in 2002, wrote, as an independent journalist, in different websites like Cubanet, Cubaliberal, and Payolibre, different articles of a subversive and counterrevolutionary type." Let me be clear, this sham verdict only confirms that Mr. Barzaga Lugo is languishing in the infernal gulag because he heroically wrote the truth about the totalitarian dictatorship.

Mr. Speaker, it is unconscionable that anyone, anywhere, is imprisoned in sub-human gulags simply for their belief in truth, freedom and democracy. At the dawn of the 21st century, mankind must no longer tolerate prisoners of conscience in any form, in any place, in any country. My Colleagues, we must demand the immediate release of Mijail Barzaga Lugo and every prisoner of conscience in totalitarian Cuba.

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2004

Mr. GRAVES. Mr. Speaker, I proudly pause to recognize the Premium Standard Farms Milan Processing Facility. On September 19, 2004 Premium Standard Farms celebrated 10 years since the Milan plant first began operations. When the plant began its operations in 1994, there were only 200 employees. Today, the Milan facility employs more than 900 people and produces more than one million pounds of fresh pork per day.

The Premium Standard Farms Milan Processing Facility has received numerous awards since 1994. Just last year, the plant was named 2003 Food Plant of the Year by Refrigerated and Frozen Foods magazine. This prestigious award recognizes the company's exceptional record for not only food safety, but worker safety as well. Premium Standard Farms sets high standards to provide an all around safe product. During 3 of the last 4 years, employees at the facility have worked over one million combined hours without a lost-time accident of any kind, a feat that many plants have not achieved even once. This spring, the Milan Processing Facility received the American Meat Institute's highest safety award: the Award of Honor. The Award of Honor is presented to those facilities that
