

Mr. Speaker, every American has a fundamental right to privacy that should be protected from intentional, unwanted incursion. S. 1301, the Video Voyeurism Prevention Act takes an important step towards updating our nation's privacy protections for a new generation of video and camera technology. I support passage of this legislation.

DOCTORS FOR DESIGNATED
DRIVING

HON. ANDER CRENSHAW

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2004

Mr. CRENSHAW. Mr. Speaker, today I rise to recognize the achievements of Doctors for Designated Driving which is putting one of President George W. Bush's guiding principles—compassionate conservatism—into practice.

Doctors for Designated Driving is a group of physicians dedicated to working with the hospitality industry and other groups to promote the role of the designated driver. The group recognizes cooperating partners for their commitment to public safety through publicity and recognition awards including the "Platinum Key of Life."

I am proud that the Jacksonville Jaguars, together with the National Football League and the Techniques for Effective Alcohol Management (TEAM) Coalition, are supporting the designated driver programs during the 2004 season with a special incentive. This year Alltel Stadium—home of the Jacksonville Jaguars and host of Super Bowl XXXIX—encourages responsibility by providing fans a designated driver booth program where participating patrons receive free non-alcoholic drinks. Fans who register to be a designated driver will pledge not to drink alcohol, will drive their friends and family home safely, and will ensure that everyone always buckles up. At the end of the season, the TEAM Coalition and the Jacksonville Jaguars will select one designated driver to represent the team at Super Bowl XXXIX. The selected designated driver will receive two tickets to the game and hotel accommodations.

I want to commend my friend, Dr. Howard Forman, for his work in founding Doctors for Designated Driving. With our strong support, it is my hope that Doctors for Designated Driving will be successful in the promotion of designated drivers throughout the nation.

CALLING FOR THE SUSPENSION OF SUDAN'S MEMBERSHIP ON THE UNITED NATIONS COMMISSION ON HUMAN RIGHTS

SPEECH OF

HON. BOBBY L. RUSH

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 22, 2004

Mr. RUSH. Mr. Speaker, I rise to support S. Con. Res. 137, calling for the suspension of Sudan's membership on the United Nations Commission on Human Rights. For nearly 20 months now, there have been atrocities in Darfur, Sudan. The group that have been committing these killings are called "Janjaweed." The Janjaweed are a Sudanese government sponsored militia group.

There is a creditable amount of testimony to confirm that the Sudanese government have been using the Janjaweed as an extension of their military to forcibly remove the Black Africans in Darfur from their land. The Janjaweed have been linked to brutal executions, rape, pillage and burning of villages.

Recently, the Secretary of State had no choice but to acknowledge the genocide publicly. He has returned to the UN with a new resolution calling for sanctions if Khartoum refuses to disarm militias in Darfur and to allow more African Union soldiers in to monitor.

We are aware that there are American companies with interest in Sudan but principles must come before profits.

I rise to ask all Members to join us and call for Sudan's membership on the United Nations Commission on Human Rights to be revoked and I unequivocally support this resolution.

A TRIBUTE TO MAJOR GENERAL TONY L. CORWIN, U.S. MARINE CORPS

HON. JERRY LEWIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2004

Mr. LEWIS of California. Mr. Speaker, it is with pleasure that I rise today to recognize Major General Tony L. Corwin, United States Marine Corps. Major General Corwin has served as the Legislative Assistant to the Commandant of the Marine Corps for the last five years.

Many Members of Congress and their staffs have come to know General Corwin as an exceptional spokesman for the United States Marine Corps. His straightforward approach and extensive knowledge of programs and policy have been of great benefit to the U.S. Congress, and our national security.

Through the effective communication efforts of General Corwin, the U.S. Congress has been kept fully informed of the crucial programs vital to the success of America's force-in-readiness: the United States Marine Corps. These important programs include, the Joint Strike Fighter (JSF), the V-22 program, the Expeditionary Fighting Vehicle (EFV), the KC-130J, the Maritime Prepositioned Force (Future), initial issue of gear for the individual Marine, LHD-17, LHA (R). General Corwin is thoroughly knowledgeable on all of these programs.

General Corwin has provided Congress with vital information regarding the purchase of the Blount Island Maritime Prepositioning port facility, and why it is vital to the United State's national security. As a result of his efforts, the House has agreed to provide \$115 million to acquire this property. In his role as lead liaison with the Marine Corps, General Corwin has overseen the responses to more than 25,000 congressional inquiries made to House and Senate Members. His responses have always been timely, accurate, and professional.

The Marine Corps Air-Ground Combat Center at Twentynine Palms—the Corps' largest base—is in my district, and I receive numerous requests from Marines, and their family members on a myriad of issues. General Corwin and his superb staff have helped me provide top-notch service for these defenders of our Nation.

General Corwin is known for his in-depth knowledge of the legislative issues and operational requirements of the Marine Corps. But he is also greatly respected as a dedicated leader and officer who possesses a deep and abiding passion for what it means to be a Marine. He has an unquestionable devotion to duty, impeccable integrity, absolute sound character and is a consummate professional. Through his assignment as the Legislative Assistant to the Commandant, General Corwin has served the Congress and our Nation extraordinarily well.

As Chairman of the Defense Subcommittee of the House Appropriations Committee, I have had invaluable insights and great appreciation for the caliber of General Corwin's work. He sets a high standard for others to emulate. I wish General Corwin and his wife, Thanya, and their wonderful family continued success in their future endeavors. Many thanks, General Corwin. Our Nation benefits from your outstanding leadership.
