

To anyone, I would welcome their comments. Anyone who has any suggestions, I would welcome them, because, in the end, this is an exposition of what I hope to be a rough outline of a coherent plan. Not having possession of the absolute truth more than anyone else, I would like to know what other people think, because at this time in our nation's history we are not Republicans, we are not Democrats, we are not ideologues, we are all Americans. So let us see what we can come up with, and, as we always have, we will win.
