SENATE RESOLUTION 445—TO ELIMINATE CERTAIN RESTRICTIONS ON SERVICE OF A SENATOR ON THE SENATE SELECT COMMITTEE ON INTELLIGENCE

Mr. LOTT submitted the following resolution; which was referred to the Committee on Rules and Administration:

Mr. LOTT. Mr. President, since September 11, there has been an on-going debate about the quality of our Nation's intelligence capabilities. In recent months, this debate has intensified as questions have arisen about prewar intelligence concerning Iraq's program for developing weapons of mass destruction. In this period, when the United States is engaged in a global war against terrorism, it is imperative that our intelligence resources are used to the utmost of their capability.

The Senate Select Committee on Intelligence is charged with the responsibility of overseeing our Nation's intelligence capabilities. As a member of that committee, I can attest to the quality of the work performed by members and staff who serve on the committee. But there is a huge learning curve to fully comprehend how our Nation's intelligence capabilities are being deployed. There are very complex technological issues associated with international intelligence and Senators often do not have the time to develop expertise in understanding all of these systems. And that makes it difficult for all committee members to engage in effective oversight.

I believe the current structure of the Intelligence Committee handicaps the committee's ability to perform truly meaningful oversight. Unlike any other committee in the Senate, there are severe restrictions placed on how long a member can serve on the Intelligence Committee. A Senator can only serve on the committee for eight continuous years. And one-third of the members of the committee are required to cycle off the committee every 2 years.

I think the Senate can no longer afford the luxury of cycling members on and off the committee. We need an Intelligence Committee whose members have years of experience in understanding the entire spectrum of global intelligence just as we have a Finance Committee whose members have spent years learning the nuances and intricacies of the tax laws and Medicare. For that reason, I am today submitting a resolution eliminating both the 8-year term limit and the mandate to replace one-third of the committee every 2 years. I would note that the 9/11 Commission recommended that term limits on the committee be eliminated.
