

Right now, we will stay on course and we will enter tomorrow with the schedule that we have outlined, and I think we can make continued progress and complete our work, hopefully, Monday morning. We will continue to consider other legislative or executive items that can be cleared as we go forward.

Again, I thank Members for their participation over the course of yesterday, today, and tomorrow. This is all vitally important work. That is why we were here all day today and well into the evening tonight, and that is

why we will be here tomorrow morning in this very unusual session.

I understand that the Chair has an announcement.
