STATEMENT FOR THE RECORD

SPEECH OF

HON. RAY LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 16, 2004

Mr. LAHOOD. Mr. Speaker, I rise today in support of H.J. Res. 110, legislation that commemorates the upcoming 60th anniversary of the Battle of the Bulge.

As we all know, our Allied forces fought against great odds, outnumbered and outgunned, to hold back German forces from December, 1944 to January, 1945. Victory over Germany was secured 4 months later.

This year has given us many opportunities to thank the members of the World War II generation for all that they have achieved. The 60th anniversary of D-Day, the opening of the long-awaited National World War II Memorial on the Mall here in Washington, and the 60th anniversary of the Battle of the Bulge are reminders that these men and women fought to save the world from tyranny. The passage of time should not diminish their sacrifices.

I would like to thank the Speaker of the House, my friend and colleague from Illinois, for sponsoring this resolution. It honors the 600,000 U.S. troops who fought in this battle 60 years ago. One of those troops is another friend and former colleague, Bob Michel. The former Minority Leader of the House, Bob Michel was wounded by machine gun fire at the Battle of the Bulge, for which he earned two Bronze Stars and a Purple Heart. I know he has never forgotten that more than 81,000 of his fellow American soldiers were also injured in Belgium 60 years ago, and, through this resolution, we show these veterans that we do not forget, either.

I am proud to join my colleagues as a cosponsor of H.J. Res. 110, and urge its swift passage.

THRIFT SAVINGS PLAN OPEN ELECTIONS ACT OF 2004

HON. JO ANN DAVIS

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2004

Mrs. JO ANN DAVIS of Virginia. Mr. Speaker, I rise in strong support of H.R. 4324, the Thrift Savings Plan Open Elections Act of 2004. This simple, but important legislation will allow eligible individuals the opportunity to elect or modify contributions to the Thrift Savings Plan (TSP) at any time, without penalty.

The TSP is a voluntary, tax-deferred defined contribution plan for Federal employees and members of the uniformed services, through which Federal agencies provide matching funds to an individual's own retirement contributions. However, under current law, an eligible employee has only two opportunities a year to join the TSP fund and receive matching contributions, or to adjust their individual contribution amount. The changes implemented by H.R. 4324 will allow for greater participant access to the TSP, and will simplify administration. Given the hard work that our Federal employees and uniformed servicemen and women perform day in and day out, it is commonsense that they should have this increased control over their retirement contributions.

IMPROVING ACCESS TO PHYSICIANS IN MEDICALLY UNDERSERVED AREAS

SPEECH OF

HON. SHEILA JACKSON-LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2004

Ms. JACKSON-LEE of Texas. Mr. Speaker, the purpose of this bill is to make it possible for foreign doctors to provide medical services in geographic areas which have been designated by the Secretary of Health and Human Services as having a shortage of health care professionals. S. 2302 is almost identical to H.R. 4453, which I cosponsored with my colleague, Mr. HOSTETTLER. H.R. 4453 passed the House on October 6 on the suspension calendar. The Senate bill has an additional

provision which ensures that specialists sponsored by Federal and State agencies are placed in areas that have a shortage in that specialty. The additional provision requires the sponsoring agency to determine criteria for demonstrating a specialist shortage and to meet that criteria in order to sponsor the specialist.

Aliens who attend medical school in the United States on J exchange program visas are required to leave the country afterwards and reside abroad for two years before they can receive a visa to work here as physicians. In 1994, Congress created a new temporary waiver of this 2-year foreign residence requirement which allowed states as well as federal agencies to sponsor the doctors. It applied to foreign doctors who would commit to practicing medicine for no less than 3 years in a geographic area designated by the Secretary of Health and Human Services as 2 having a shortage of health care professionals. This program has been successful for 10 years in bringing highly qualified physicians to medically underserved areas. It sunsetted on June 1 of this year.

The first physician recommended for a waiver in Texas was Dr. Maria Camacho, a Pediatric Intensivist. Her services to the residents of Harlingen in Cameron County provide a level of health care to children that was previously unavailable in that county.

Dr. K. M. Moorthi is a Nephrologist who was recommended for a waiver to serve at a facility in Pecos, TX, in Reeves County. He works at a dialysis center. Patients requiring dialysis 3 times per week in that part of Texas used to have to travel more than 70 miles each way for the treatments. Now it is available in Pecos.

The bill will provide a 2-year extension for this waiver program. When it was marked up by the Subcommittee on Immigration, Border Security, and Claims, the extension was only for one year. Although I had sought a 5-year extension at that 3 markup, I subsequently accepted a compromise of 2 years. I also negotiated a flexibility provision which will allow a State agency to place a doctor at a location that has not been designated as underserved if the doctor will nevertheless serve patients from an underserved area. The exception is limited to five doctors in each state. It targets rural underserved areas that typically get specialty medical care from a major medical facility that is not itself located within an underserved area. The bill also provides that the doctors who receive a waiver to come here with H-1B visas will not count towards the annual H-1B cap.

I urge you to vote for S. 2302.
