COMMENDING THE U.S. CAPITOL POLICE AND SERGEANT AT ARMS OFFICE

(Mr. DELAY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DELAY. Mr. Speaker, as we all now know, a short time ago a small aircraft invaded the National Capital air space. The command structure for both the U.S. Capitol and the White House tracked this plane before making a decision to evacuate the Capitol complex at approximately 12:04 p.m.

At the time of the evacuation, Mr. Speaker, the House of Representatives was in the midst of a roll call vote and the House Chamber was ordered cleared in the middle of that vote. In addition to the Members of the House, the Capitol was filled with a number of foreign dignitaries, tourists, certainly staff and congressional pages. The Capitol Police led a rapid, yet orderly, evacuation for all of these people, as well as those who were in the House office buildings.

Mr. Speaker, I just want to commend the Capitol Police and the Sergeant at Arms Office for a job well done. We were all part of that evacuation. It was orderly. The Capitol and the office buildings were evacuated in record time. It went relatively smoothly. I have heard little or no complaints about the evacuation.

I also want to especially commend the employees of this House, those in the office buildings as well as in the Capitol. Everybody evacuated quickly and calmly, and it was a very good operation.

It is unfortunate that we have to live in these times where we have to evacuate the Capitol complex; but we are very pleased and proud of the Capitol Police, of their orderliness under very extreme conditions, their politeness and their calmness and reserve in the way they evacuated these buildings.

From a personal note, as I was going out of the Capitol complex, the Capitol Police were on station and were deployed in a very professional manner. They were acting in a very professional
