

only cover seventy-three per cent of promised benefits, and will decrease to sixty-eight per cent by 2078;

5. Without structural reform, future Congresses may have to raise payroll taxes fifty per cent over the next seventy-five years to pay full benefits on time, resulting in payroll tax rates of as much as 16.9 per cent by 2042 and 18.3 per cent by 2078;

6. Without structural reform, Social Security's total cash shortfall over the next seventy-five years is estimated to be more than \$25,000,000,000,000 in constant 2004 dollars or \$3,700,000,000,000 measured in present value terms; and

7. Absent structural reforms, spending on Social Security will increase from 4.3 per cent of gross domestic product in 2004 to 6.6 per cent in 2078; and

Whereas, the Congressional Budget Office, the Government Accountability Office, the Congressional Research Service, the Chairman of the Federal Reserve Board and the President's Commission to Strengthen Social Security have all warned that failure to enact fiscally responsible Social Security reform quickly will result in one or more of the following: 1. Higher tax rates; 2. lower Social Security benefit levels; 3. increased federal debt or less spending on other federal programs;

Wherefore your memorialist, the Senate of the State of Arizona, the House of Representatives concurring, prays:

1. That the President, the Congress and the American people, including seniors, workers, women, minorities and disabled persons, should work together at the earliest opportunity to enact legislation to achieve a solvent and permanently sustainable Social Security system.

2. That Social Security reform must:

(a) Protect current and near retirees from any changes to Social Security benefits.

(b) Reduce the pressure on future taxpayers and on other budgetary priorities.

(c) Provide benefit levels that adequately reflect individual contributions to the Social Security system.

(d) Preserve and strengthen the safety net for vulnerable populations including the disabled and survivors.

3. That the United States Congress should honor section 13301 of the Budget Enforcement Act of 1990.

4. That the Secretary of State of the State of Arizona transmit copies of this Memorial to the President of the United States Senate, the Speaker of the United States House of Representatives and each Member of Congress from the State of Arizona.

POM-110. A concurrent memorial adopted by the House of Representatives of the Legislature of the State of Arizona relative to the United States entering into the Free Trade Area of the Americas; to the Committee on Finance.

HOUSE CONCURRENT MEMORIAL 2006

Whereas, the United States of America has always been the world leader in pushing for free trade, which is a hallmark of our capitalistic society; and

Whereas, both the World Trade Organization (WTO) and the North American Free Trade Agreement (NAFTA), through the use of trade tribunals, now claim the sovereign authority to overrule decisions of American courts and make awards to foreign businesses for violations of trade agreements; and

Whereas, the United States is considering entering into a new thirty-four member Free Trade Area of the Americas (FTAA) in 2005.

Wherefore your memorialist, the House of Representatives of the State of Arizona, the Senate concurring prays:

1. That the United States Congress vote no on any agreement for the United States to enter into a Free Trade Area of the Americas (FTAA).

2. That the Secretary of State of the State of Arizona transmit copies of this Memorial to the President of the United States Senate, the Speaker of the United States House of Representatives and each Member of Congress from the State of Arizona.
