

a crisis. I think the Federal Government and the Congress needs to take the lead in challenging our people, our entrepreneurs, our creative spirit, to address this problem. There may be solutions that I have not dreamed of here. But I think if you look through all the potential sources of energy in the world, there are not many that we have missed here.

This is a big challenge. There is nothing like a challenge like this to sharpen the intellect and give you a feeling of really doing something worthwhile.

Mr. Speaker, I would like to see this not as a problem but as a challenge. And if every American addresses that appropriately, I think we will weather the storm.
