CONFERENCE REPORT ON H.R. 2863, DEPARTMENT OF DEFENSE APPROPRIATIONS ACT, 2006

Mr. YOUNG of Florida. Mr. Speaker, pursuant to House Resolution 639, I call up the conference report to accompany the bill (H.R. 2863) making appropriations for the Department of Defense for the fiscal year ending September 30, 2006, and for other purposes.

The SPEAKER pro tempore (Mr. CAMP of Michigan). Pursuant to House Resolution 639, the conference report is considered read.

(For conference report and statement, see prior proceedings of the House of today.)

The SPEAKER pro tempore. The gentleman from Florida (Mr. YOUNG) and the gentleman from Pennsylvania (Mr. MURTHA) each will control 30 minutes.

The Chair recognizes the gentleman from Florida.

Mr. YOUNG of Florida. Mr. Speaker, the Defense appropriations bill, which this conference report is about, is also the vehicle for a number of other issues. Those other issues have been discussed very thoroughly during consideration of the rule, so I am going to reserve my comments strictly to the area of the Defense appropriations bill.

Mr. Speaker, this bill is to provide for the security of our Nation and to appropriate the funds to pay for the equipment, the training, the consumable supplies, but more importantly, for the men and women who serve in our uniform, those who make it possible for us to sleep tonight, well, not tonight, because we are not sleeping tonight, but to make it possible for Americans to sleep tonight, knowing that they are secure because of these brave warriors who are prepared to protect America at any instance.

This bill, for example, includes the money for the pay raise for the members of our military. The bill provides a bridge fund of \$50 billion for the conduct of the global war against terror in Afghanistan and Iraq and other places. It provides for replacing the equipment that has been destroyed or worn out during the conduct of the war. It provides additional funding to provide more effective ways to protect against and defend against the terrible tragic IEDs. It provides armor for our vehicles.

Mr. Speaker, I am going to be brief. I just want to hit some of the highlights of what the bill does. I want the Members to know that this appropriations bill funds the insurance and death gratuities that we have increased for the members of our military. It provides basically the President's request for a fairly aggressive shipbuilding program.

Mr. Speaker, this is a really good Defense appropriations bill. It was strongly supported when it passed the House 6 months ago, Mr. Speaker; but because of other delays, we are just now getting to vote on this final package. This is a good bill, and I do not think there is any controversy associated with the defense part of this conference report.

Mr. Speaker, I include the following tabular material for the RECORD.
