

House Judiciary Committee, under the chairmanship of JIM SENSENBRENNER, will be holding committee hearings on a Federal media shield law. I can't think of a more appropriate time to announce a hearing on this bill than during what is known as National Sunshine Week. This is a week where newspapers all across the land celebrate the importance of openness in government.

The Free Flow of Information Act strikes a proper balance between the public's interest in free dissemination of information and the needs of law enforcement. I urge my colleagues to cosponsor the Free Flow of Information Act. I commend the chairman of the House Judiciary Committee for this important step forward, and I close with Daniel Webster's missive that "the entire and absolute freedom of the press is essential to the preservation of government on the basis of a free constitution."

ILLEGAL IMMIGRATION'S IMPACT ON TAXPAYERS

(Mr. KELLER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KELLER. Mr. Speaker, I rise today to discuss the impact illegal immigration has on taxpayers. Today, we have 11 million illegal aliens in the United States. Last year, our Border Patrol agents arrested 1.2 million illegal aliens attempting to enter the U.S. from Mexico.

Illegal aliens continue to enter the U.S. from the Mexican border at the rate of 8,000 per day, and I saw that firsthand on a recent trip to the Mexican border. The economic impact of illegal immigration on taxpayers is catastrophic.

Illegal immigration costs taxpayers \$45 billion a year in health care, identification, and incarceration expenses. The cost of the estimated 630,000 illegal aliens in my home State of Florida is about \$2 billion a year, meaning every family in my congressional district pays a hidden tax of \$315 each year, yet they still face artificially depressed wages because of illegal immigration.

The House has recently passed a tough border security bill to address this problem, and I urge the Senate to act now to protect taxpayers.

MALCOLM MELVILLE "MAC" LAWRENCE POST OFFICE

Mr. ISSA. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 2064) to designate the facility of the United States Postal Service located at 122 South Bill Street in Francesville, Indiana, as the Malcolm Melville "Mac" Lawrence Post Office.

The Clerk read as follows:

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from California (Mr. ISSA) and the gentleman from New Mexico (Mr. UDALL) each will control 20 minutes.

The Chair recognizes the gentleman from California.

GENERAL LEAVE

Mr. ISSA. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. ISSA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, Senate 2064 introduced by the distinguished gentleman from Indiana, Senator LUGAR, would designate the Post Office in Francesville, Indiana, as the Malcolm Melville "Mac" Lawrence Post Office.

Mac Lawrence was a true leader in every sense of the word. After graduating from Purdue University in 1943, Mac was drafted into the Army and, with the First Medical Battalion, he participated in the D-Day landing at

Normandy. For his heroics as an Army medic in World War II, Mac was awarded the Silver Star for valor, two Purple Hearts, and two Bronze Stars.

After the war, Mac and his wife moved to Francesville, Indiana, where they were again teaching at the Francesville High School in 1946. He taught vocational agriculture and industrial arts and was greatly admired by his students for his dedication to his craft and for his encouraging and optimistic nature. After 30 years of service, he retired as administrator of the high school, whose students he spent a large part of his life educating.

In addition, his service to his community did not go unnoticed. He served on the Francesville library board, was active in the Future Farmers of America, and participated in 4-H for 25 years. Mac's service to his country, State, and community were unparalleled, and I ask that all Members come together and honor this pillar of the Francesville, Indiana, community and pass Senate 2064.

Mr. Speaker, I reserve the balance of my time.

Mr. UDALL of New Mexico. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am pleased to join my colleague, Mr. ISSA, in consideration of S. 2064, which designates the Postal facility in Francesville, Indiana, after Malcolm Melville "Mac" Lawrence. Senate 2064, sponsored by Senators LUGAR and BAYH, unanimously passed the Senate on March 3, 2006. An identical measure, H.R. 4346, sponsored by Representative BUYER, was unanimously passed by the Government Reform Committee on February 1, 2006.

A native of Indiana, Malcolm Lawrence was drafted into the U.S. Army after graduating from Purdue University. An Army medic serving in the 1st Medical Battalion, 18th Regiment of the 1st Infantry Division, Mac participated in the D-Day invasion of Normandy and attended to injured soldiers in numerous battles. In 1944, he was injured in a mortar attack. Before his discharge in 1945 and subsequent return home to Indiana, Mac had been awarded the Purple Heart, Bronze and Silver Star, and a host of other medals and badges.

Mac moved to Francesville and became a teacher at the local high school. He completed his teaching career as an administrator after 30 years of teaching.

A local hero, community leader and friend, Malcolm Lawrence was a beloved neighbor. Sadly, he passed away on July 8, 2004, leaving behind his family and a host of friends.

I commend my colleagues for seeking to recognize the many contributions of Malcolm Melville "Mac" Lawrence and urge swift passage of this bill.

Mr. Speaker, I yield back the balance of my time.
