

teacher and citizen from my Congressional District.

Stephan is currently serving on active duty with the U.S. Army Reserves at Fort Knox, Kentucky. As Captain, he is responsible for training and mentoring a full brigade. He also serves as an officer for community outreach, equal opportunity, safety and soldier retention. Prior to his current assignment, Captain Walters served for three years as a member of the 3rd U.S. Infantry, also known as the Presidential Honor Guard, performing a range of ceremonial duties at the White House, Pentagon, and Arlington National Cemetery.

Captain Walters has also distinguished himself in civilian life, earning a bachelor degree in social studies and a masters degree in secondary education from the University of Kentucky, graduating from both programs with honors. Walters was a five year member of the University of Kentucky's football team, earning numerous awards and honors for his academic and athletic achievements.

Upon graduation, he accepted a position at Jeffersontown High School in Louisville, KY teaching history and coaching football and track. In 2004, he was nominated by his colleagues for the History Teacher of the Year Award, a special honor he later received from the Kentucky Historical Society.

It is my great privilege to honor Stephan Walters today, before the entire U.S. House of Representatives, for his distinguished service to his country and his community. His unyielding sense of duty and sacrifice represent the very best of what it means to be an American soldier. His achievements as a civilian, especially his dedication to developing young minds in the classroom and on the athletic field, are further marks of personal greatness. He is a man of exemplary leadership and dedication worthy of our collective respect and appreciation.

IN CELEBRATION OF ASIAN PACIFIC AMERICAN HERITAGE MONTH

**HON. DAVID WU**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 2, 2006*

Mr. WU. Mr. Speaker, it is a great honor and pleasure to join with my fellow members of the Congressional Asian Pacific American Caucus to celebrate Asian Pacific American Heritage Month. This May marks the 28th time America has recognized and celebrated the many contributions and achievements of Asian Pacific Americans.

America has reached greatness in part by the accumulation of ideas from those with varied heritage and backgrounds. In particular, Asian Pacific Americans have made profound contributions to the arts, education, science, technology, politics and athletics.

Asian Pacific Americans have played an active and crucial role in the development of this country, from knitting together this nation with the transcontinental railroad to bringing the world closer together through development of the latest Internet technology.

This year, Congress will be reauthorizing the Voting Rights Act, including provisions that provide bilingual assistance to voters who need it. These measures protect the ability of

all voters to participate in our nation's political process. Toward this end, I, along with the Congressional Asian Pacific American Caucus, am reaching out to the Asian Pacific American community and speaking to the importance of civic participation and protecting the APA vote.

The Asian Pacific American community remains and always will be an integral and vibrant part of American society. As we take part in the celebration of Asian Pacific American Heritage Month, I urge everyone to participate more deeply in the civic life of our nation. The civic engagement of Asian Pacific American's will help define our collective future. By working together we can build bridges, and build upon our great nation's diverse communities. We move forward with determination and unity.

I encourage Congress and the American people to spend part of May absorbing the legacy, culture and achievements of the Asian Pacific American community.

TRIBUTE TO MR. WILLIAM "BILL" CARNEY ALFRED

**HON. SHELLEY MOORE CAPITO**

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 2, 2006*

Mrs. CAPITO. Mr. Speaker I rise today in honor of Mr. William "Bill" Carney Alfred who died at his residence following health complications on Monday, April 3, 2006.

Many were touched by Bill's dedication, concern for others, and enthusiasm for life. Bill was a proud member of St. Patrick's Catholic Church and the Loyal Order of Moose #1976 in Weston, West Virginia. For many years, Bill worked at the Kroger Company in Weston before retiring as head of the produce department. Bill truly made a difference in many lives and will be fondly remembered by the many people he touched with his kindness. We are fortunate to have had him as our friend.

I want to extend my thoughts and prayers to the Alfred, Rafferty, and Carney families during this difficult time. He is survived by one brother, John Kilker Carney of Springfield, VA, and by many loving cousins, nieces, nephews, grandnieces and grandnephews. We are never prepared for the loss of a loved one, but God is always prepared to help us through that loss. I pray your own faith and fondest memories will give you strength and comfort during such a trying time.

Mr. Speaker, I urge my colleagues to join me in recognition of the life of Mr. William Carney Alfred.

HONORING RICK CRANDALL

**HON. MARK UDALL**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 2, 2006*

Mr. UDALL of Colorado. Mr. Speaker, I rise today to recognize and honor a well-known and beloved voice in the Greater Denver community. Mr. Rick Crandall, host of "The Breakfast Club" on AM 1430 KEZW, is celebrating his 15th anniversary on the air on June 17,

2006. This occasion marks a long and storied career dedicated not only to his listeners and fans, but to the community in which he thrives. Rick deserves a moment of pause to reflect on his career, and I join him and his fans in doing so.

Rick Crandall got off to a shaky start on his first day on the air at KEZW when he confused Tommy Dorsey with Glenn Miller, much to the ire of his musically inclined listeners. Over time, though, Rick became as important to his fans' mornings as a cup of coffee, and he was soon the centerpiece of a community of listeners and friends that enjoy music, news, and personal stories throughout the morning hours. "The Breakfast Club" is no mere radio show; it is a collection of like-minded people enjoying one another's company through Rick's engaging personality and love of entertaining his fans.

As if his career in radio wasn't impressive enough, Rick Crandall is also well-known for his stunning devotion to community service and public well-being. Rick has raised enormous amounts of funding for charities and, as a result, has earned both the Colorado Broadcasters Association Citizen of the Year Award and The Colorado Broadcasters Association Harry Hoth Award for Public Service, among many others. Specifically, Rick's work with military veterans is second to none, as he works constantly to assist and honor veterans both with his radio show and by engaging in the veteran community. Rick has also put substantial effort into raising money for and building the Colorado Freedom Memorial, a monument to all Coloradans who have been killed in action. I look forward to seeing the completion of this project, and I honor Rick's efforts to make it happen.

It would be difficult to list all of Rick's accomplishments and projects, suffice it to say that his presence in Colorado has been a blessing for all who know him. I ask my colleagues to join me in honoring Mr. Rick Crandall as he celebrates the 15th anniversary of "The Breakfast Club," and I look forward to many more years of great radio and community service.

NATIONAL HEALTH CARE: THE TIME IS NOW

**HON. JOHN CONYERS, JR.**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 2, 2006*

Mr. CONYERS. Mr. Speaker, tonight I rise to address the serious health care crisis our Nation is facing today. The time is now for Congress to address health care in America. Too many of my constituents, like many other hard working Americans across the country, are suffering unnecessarily due to our flawed health care system. There are now more than 46 million Americans without health insurance. Our system of private health insurance that fails to provide coverage to so many of our citizens also contributes to the double-digit health care inflation that is making America less competitive in the global economy.

The only real solution to this crisis is National Health Care. In this most powerful nation in the world, lack of access to health care should not force local and state governments, companies and workers into bankruptcy, while
