So the amendment was rejected.
The result of the vote was announced
as above recorded.

PERSONAL EXPLANATION

Mr. FARR. Mr. Speaker, on rollcall No. 171, I inadvertently voted “aye” when I meant to vote “no” and I would like the RECORD to so state that had I voted correctly, I would have opposed the Hefley amendment.

The CHAIRMAN. The Clerk will read the last three lines.

The Clerk read as follows:

This Act may be cited as the “Department of the Interior, Environment, and Related Agencies Appropriations Act, 2007”.

Mr. TAYLOR of North Carolina. Mr. Chairman, I move that the Committee do now rise and report the bill back to the House with sundry amendments, with the recommendation that the amendments be agreed to and that the bill, as amended, do pass.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. BASS) having assumed the chair, Mr. LATOURETTE, Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 5386) making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2007, and for other purposes, had directed him to report the bill back to the House with sundry amendments, with the recommendation that the amendments be agreed to and that the bill, as amended, do pass.

The SPEAKER pro tempore. Pursuant to House Resolution 818, the previous question is ordered.

Is a separate vote demanded on any amendment? If not, the Chair will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on the passage of the bill.

Pursuant to clause 10 of rule XX, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 293, nays 128, not voting 11, as follows:

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO BURMA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 109-110)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides

for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. I have sent the enclosed notice to the *Federal Register* for publication, which states that the Burma emergency is to continue beyond May 20, 2006, for publication. The most recent notice continuing this emergency was published in the *Federal Register* on May 18, 2005 (70 FR 28771).

The crisis between the United States and Burma arising from the actions and policies of the Government of Burma, including its policies of committing large-scale repression of the democratic opposition in Burma, that led to the declaration of a national emergency on May 20, 1997, has not been resolved. These actions and policies are hostile to U.S. interests and pose a continuing unusual and extraordinary threat to the national security and foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency with respect to Burma and maintain in force the sanctions against Burma to respond to this threat.

GEORGE W. BUSH.

THE WHITE HOUSE, May 18, 2006.

CONTINUATION OF THE NATIONAL EMERGENCY PROTECTING THE DEVELOPMENT FUND FOR IRAQ AND CERTAIN OTHER PROPERTY IN WHICH IRAQ HAS AN INTEREST—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 109-112)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication. This notice states that the national emergency declared in Executive Order 13303 of May 22, 2003, as expanded in scope by Executive Order 13315 of August 28, 2003, and modified in Executive Order 13364 of November 29, 2004, is to continue in effect beyond May 22, 2006. The most recent notice continuing this emergency was published in the *Federal Register* on May 20, 2005 (70 FR 29435).
