HONORING THE CONSECRATION OF
ELIZABETH CHAPEL UNITED
METHODIST CHURCH

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 8, 2006

Mr. MILLER of Florida. Mr. Speaker, it is with tremendous joy and celebration that I rise today to honor the consecration of the Elizabeth Chapel United Methodist Church in Chumuckla, FL, where my wife Vicki and I have been members since 2001.

Elizabeth Chapel has been a home for me; a place of solace where I can go to be closer to God and get back in tune with what is really important in my life. Likewise, the church family has acted as a true family to my wife and me, continuously offering us their support, encouragement, and kindness.

Elizabeth Chapel United Methodist Church has served a vital role in the community of Chumuckla since 1937. Originating from the marriage of two smaller churches in the late 1930s, the church has remained a quaint group of adamant believers whose moral fiber and strength is unwavering.

On September 16, 2004, Hurricane Ivan tore through the area, leaving damage, destruction, and heartbreak in its wake. The hurricane left the church building irreparable and it was soon leveled to begin new construction. Though many members of the congregation lost their homes or had significant damage to their own property in the storm, in the week that followed the hurricane, members of the church and others in the community came together descending on the church grounds to help FEMA distribute over 60,000 MRE's as well as ice and water to those in need.

In the months that followed with the glorification of God's work in their hearts, the community, congregation and other churches in the surrounding area came together to begin rebuilding Elizabeth Chapel. It has been nearly two years since Ivan devastated the Gulf Coast, and the reconstruction is complete. On Sunday, June 10, 2006, I will join in the fellowship and celebration of the consecration of the Elizabeth Chapel United Methodist Church.

Mr. Speaker, I truly represent an incredible group of people. It warms my heart that the community, congregation, and other churches have come together, through the hardships and heartache that have been prevalent since hurricane Ivan, to once again provide a house of worship to the amazingly resilient members of Elizabeth Chapel United Methodist Church.

TRIBUTE TO JOSEPH VERDU

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 8, 2006

Ms. WOOLSEY. Mr. Speaker, I rise today to honor Joseph Verdu, a man who was loved and admired by many people in my hometown of Petaluma, California. Joe passed away on November 5, 2003, at the age of 69. On May 20, 2006, friends and family gathered for the dedication and renaming of McDowell Field to the Joseph F. Verdu Athletic Field.

Joe deserved this honor. He was active in youth sports in Petaluma, inspiring many young people with his warmth and commitment. He helped organize the Petaluma Youth Soccer League and served as its president for three years. He was also vice president of the California Youth Soccer Association for two years and on the board of the Petaluma Valley Little League. The City honored him with a Community Recognition Award in 1978 and the State of California with the Parks and Recreation Department Outstanding Service Award in 1979.

Born in San Francisco in 1934, Joe graduated from Lowell High School, attended UC Berkeley, and served in the United States Air Force from 1954–1958. He married his sweetheart Sylvia Magnani in 1957. The couple lived in Santa Clara until his job with Kimberly-Clark brought him to Petaluma in 1970.

Joe is survived by his wife Sylvia and their eight sons: Joseph, William, Stephen, Thomas, Mark, David, Paul, and Michael. When he died, he had 16 grandchildren; now there are 17.

Mr. Speaker, Sylvia describes her husband as "a wonderful family man" with a "magnetic personality that made him popular with everyone who knew him." I know that description rings true for me and my family. We miss Joseph Verdu's humor and spirit, and I am proud to honor him for his service to the youth of Petaluma.

MINE IMPROVEMENT AND NEW
EMERGENCY RESPONSE ACT OF
2006

SPEECH OF

HON. JERRY F. COSTELLO

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 7, 2006

Mr. COSTELLO. Mr. Speaker, I rise today in support of S. 2803, the Mine Improvement and New Emergency Response (MINER) Act of 2006, to provide important Federal safety regulations for coal mines.

The number of coal miners who have died so far this year is alarming and has highlighted the pressing need to revise coal miner health safety standards to ensure miners are equipped with state of the art technologies, tracking devices, and sufficient emergency supplies of oxygen.

Our current Federal mine safety regulations are outdated. We need to act now to protect
