

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FILNER. Madam Speaker, on rollcall No. 395, S. 203, I was held up with airplane problems. Had I been present, I would have voted "yea."

PERSONAL EXPLANATION

Ms. MCKINNEY. Madam Speaker, I was unavoidably delayed getting to the floor due to Delta Flight #634 being delayed due to bad weather in the area and missed rollcall vote Nos. 394 and 395 on July 24, 2006. Had I been present, I would have voted "yea."

PERSONAL EXPLANATION

Mrs. DAVIS of California. Madam Speaker, I missed the following two votes, Nos. 394 and 395, due to a delayed flight from San Diego. I would have voted "yea" on S. 1496 and S. 203.

IN HONOR OF THE LATE  
CONGRESSMAN TOM MANTON

(Mr. RANGEL asked and was given permission to address the House for 1 minute.)

Mr. RANGEL. Madam Speaker and my colleagues, last Saturday, we lost Tom Manton. Many of you worked with him and knew him as well as we did in the city of New York.

He was the son of Irish immigrants. His family came to this country. He worked as a salesman. He was a policeman for the New York City Police Department. He worked before that as a city councilman.

Most of you knew him when he came to Congress and served so well, and he was followed to the Congress by Joe Crowley. He left the Congress to become the Democratic county leader for the County of Queens and made a name for himself as he sought out black and white, Irish, Asian, Hispanic candidates for one of the most diverse political subdivisions that we have in the city of New York. He is what we call, in New York City, a "politician's politician," who was respected by Republicans as well as Democrats.

We will miss him in the city of New York, but he left a better city than the one that he inherited.

And I would like to yield to my friend and senior Republican in our New York delegation, Mr. BOEHLERT.

Mr. BOEHLERT. Madam Speaker, I thank the dean of our delegation for yielding.

I just want to say that all of us who were privileged to know and work with Tom Manton during his seven terms in this House of Representatives share a deep sense of personal loss. He was an absolutely outstanding individual. And I think Mayor Bloomberg of New York probably best described him in a very simple way. He said he was a "classy guy."

He was a guy who demonstrated in so many different ways his unflinching loyalty and his deep commitment to and faith in all of those things that he really believed in, his heritage, his religion, his party, his profession, his country, but, most of all, his family.

I think we are the lesser for Tom Manton's passing, but we are the greater because he touched our lives.
