

later stage of cancer progression than for all other ethnic and racial groups, thereby leading to lower cure rates and lower chances of survival; and

Whereas, according to a recent paper published in the Proceedings of the National Academy of Sciences, researchers from the Dana Farber Cancer Institute and Harvard Medical School have discovered a variant of a small segment of the human genome that accounts for the higher risk of prostate cancer in African American men: Now, therefore, be it

*Resolved*, That the Senate—

(1) recognizes that prostate cancer has created a health crisis for African American men; and

(2) declares the critical importance of the designation of increased funding for—

(A) research to address and attempt to end the health crisis created by prostate cancer; and

(B) efforts relating to education, awareness, and early detection at the grassroots levels to end that health crisis.

Mr. KERRY. Mr. President, today, I am joining Congressman GREG MEEKS to submit a Senate resolution aimed at raising awareness of the prostate cancer crisis among African-American men. This Resolution urges Congress to provide the funds necessary to prevent and fight the disease, and to encourage African-American men to get screened.

Prostate cancer is the second leading cause of cancer related death for African-American men. They have the highest incidence and mortality rate due to prostate cancer of any ethnic or racial group. African-American men are dying at a rate of 140 percent—almost 2½ times—higher than other groups. That is the largest disparity for any major cancer.

No person of any race should have to suffer unnecessarily from a disease we have the medical science and moral obligation to prevent, detect, and treat. It should no longer rob sons, daughters, and wives of their fathers, husbands, and loved ones. Just as the doctrine of ‘separate but equal,’ was wrong in education, it is wrong in health care. We have to reform the system so that the quality of health care for every American never depends on the color of any American’s skin. We need to fund more research and greater outreach efforts. For this reason, I urge every member of Congress to support this resolution.

**SENATE RESOLUTION 579—DESIGNATING DECEMBER 13, 2006, AS A DAY OF REMEMBRANCE TO HONOR THE 25TH ANNIVERSARY OF THE IMPOSITION OF MARTIAL LAW BY THE COMMUNIST GOVERNMENT IN POLAND**

Ms. MIKULSKI (for herself and Mr. SANTORUM) submitted the following resolution; which was considered and agreed to:

S. RES. 579

Whereas, on May 9, 1945, Europe declared victory over the oppression of the Nazi regime;

Whereas Poland and other countries in Central, Eastern, and Southern Europe soon fell under the oppressive control of the Soviet Union;

Whereas for decades the people of Poland struggled heroically for freedom and democracy against that oppression, paying at times the ultimate sacrifice;

Whereas, in 1980, the Solidarity Trade Union was formed in Poland;

Whereas membership in the Solidarity Trade Union grew rapidly in size to 10,000,000 members, and the Union obtained unprecedented moral power that soon threatened the Communist government in Poland;

Whereas, on December 13, 1981, the Communist government in Poland crushed the Solidarity Trade Union, imprisoned the leaders of the Union, and imposed martial law on Poland;

Whereas, through his profound influence, Pope John Paul II gave the people of Poland the hope and strength to bear the torch of freedom that eventually lit up all of Europe;

Whereas the support of the Polish-American community while martial law was imposed on Poland was essential in encouraging the people of Poland to continue to struggle for liberty;

Whereas the people of the United States were greatly supportive of the efforts of the people of Poland to rid themselves of an oppressive government;

Whereas the people of the United States expressed their support on Christmas Eve 1981 by lighting candles in their homes to show solidarity with the people of Poland who were suffering under martial law;

Whereas, in 1989, the people of Poland finally won the right to hold free parliamentary elections, which led to the election of Poland’s first Prime Minister during the post-war era who was not a member of the Communist party, Mr. Tadeusz Mazowiecki; and

Whereas, in 2006, Poland is an important member of the European Union, one of the closest allies of the United States, a contributing partner in the North Atlantic Treaty Organisation, and a reliable partner in the war on terrorism that maintains an active and crucial presence in Iraq and Afghanistan: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates December 13, 2006, the 25th anniversary of the imposition of martial law by the Communist government in Poland, as a Day of Remembrance honoring the sacrifices paid by the people of Poland during the struggle against Communist rule;

(2) honors the people of Poland who risked their lives to restore liberty in Poland and to return Poland to the democratic community of nations; and

(3) calls on the people of the United States to remember that the struggle of the people of Poland greatly contributed to the fall of Communism and the ultimate end of the Cold War.

Whereas it is in the strong economic interest of agricultural producers and consumers in the United States to help ensure a healthy, sustainable pollinator population;

Whereas possible declines in the health and population of pollinators pose what could be a significant threat to global food webs, the integrity of biodiversity, and human health;
