LEGISLATIVE SESSION

The PRESIDING OFFICER. Under the previous order, the Senate will now return to legislative session.

MORGANZA TO THE GULF

Ms. LANDRIEU. Mr. President, I know it is very late and everybody is working hard to finish up. We have accomplished a great deal today. But I wanted to come to the floor while the majority leader was here to explain that there is one small but important project called Morganza to the Gulf that the House of Representatives sent over to us about 2 hours ago. It is a scaled-back version, but the reason I am going to stay here until we are able to work this out is because this has been approved by the subcommittee chair on the Republican side, the chair on the Republican side, the subcommittee chair on the Democratic side, and the chair on the Democratic side. This project, Mr. Majority leader, is the only project in the entire WRDA bill—in the entire bill that I am aware of—that was authorized in the last WRDA bill, but because of a technical error, it was left out. It was authorized, not in this WRDA bill—well it is, but in two, the last and this one. So it is because WRDA, of course, collapsed—and it is a very important bill; I have literally billions of dollars of other projects in the WRDA bill—that I am not asking to move forward because it would not be fair for me to ask to move mine forward because no one else is getting theirs. But this project has been signed off by Chairman INHOFE, by Senator BOND, and Senator BOXER because they recognize it is unique among projects.

I now understand it is being held up. I just wanted to speak publicly. I wish to stay for a little while to see what we can work out and see if we can get this to the House, the Morganza to the Gulf has already been scaled back, and try to get it done before we leave.

I yield the floor.

Mr. FRIST. Mr. President, in response to my colleague, through the Chair, there are a number of pieces of legislation we are continuing to look at tonight. I know this is one about which discussions are ongoing. We will actually be looking at that with many others.

I have to say we do have scores and scores of pieces of legislation that are similar that have come forward—not exactly, they have not gone through two authorization projects—that have to be considered as well.
