NOT VOTING—55

□ 1916

Mr. BARRETT of South Carolina changed his vote from “yea” to “nay.” So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. CONYERS. Mr. Speaker, I took a leave of absence on September 17, 2007, as I was attending to personal business. The following list describes how I would have voted had I been in attendance today.

“Yea”—H.R. 3246—Regional Economic and Infrastructure Development Act of 2007 (Rep. OBERSTAR, JAMES L.)

“Yea”—H.R. 1657—To establish a Science and Technology Scholarship Program to award scholarships to recruit and prepare students for careers in the National Weather Service and in National Oceanic and Atmospheric Administration marine research, atmospheric research, and satellite programs. (Rep. ROHRBACHER, DANA)

“Yea”—H.R. 3257—To extend for two months the authorities of the Overseas Private Investment Corporation. (Rep. SHERMAN, BRAD)

Mr. BOSWELL. Mr. Speaker, due to personal business in Iowa, I was unable to return to Washington for votes on Monday, September 17, 2007. If I had been here, I would have voted “yea” on H.R. 3246, H.R. 1657 and H.R. 3527.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 1852, EXPANDING AMERICAN HOMEOWNERSHIP ACT OF 2007

Ms. MATSUI, from the Committee on Rules, submitted a privileged report (Rept. No. 110-330) on the resolution (H. Res. 650) providing for consideration of the bill (H.R. 1852) to modernize and update the National Housing Act and enable the Federal Housing Administration to use risk-based pricing to more effectively reach underserved borrowers, and for other purposes,

which was referred to the House Calendar and ordered to be printed.

AMENDMENT PROCESS FOR CONSIDERATION OF H.R. 2881, FAA REAUTHORIZATION ACT OF 2007

(Ms. MATSUI asked and was given permission to address the House for 1 minute.)

Ms. MATSUI. Mr. Speaker, the Rules Committee is expected to meet Wednesday, September 19, to grant a rule which may structure the amendment process for floor consideration of H.R. 2881, the FAA Reauthorization Act of 2007.

Members who wish to offer an amendment to this bill should submit 30 copies of the amendment and a brief description of the amendment to the Rules Committee in H-312 in the Capitol no later than 10 a.m. on Wednesday, September 19. Members are strongly advised to adhere to the amendment deadline to ensure the amendments receive consideration.

Amendments should be drafted to the amendment in the nature of a substitute to H.R. 2881. The amendment reflects an agreement between the Transportation and Infrastructure Committee and the Science and Technology Committee. A copy of the text is posted on the Web site of the Rules Committee.

Amendments should be drafted by legislative counsel and also should be reviewed by the Office of the Parliamentarian to be sure that the amendments comply with the rules of the House. Members are also strongly encouraged to submit their amendments to the Congressional Budget Office for analysis regarding possible PAYGO violations.

HONORING DR. MICHAEL E. DEBAKEY

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, I would like to join my colleague, Congressman AL GREEN, in congratulating Dr. Michael E. DeBakey for having the Congressional Gold Medal that was passed today in the House acknowledge his outstanding leadership.

Dr. DeBakey is not only a great American, a great Texan, and a great Houstonian, but he is a great lover of freedom and peace. He does so by evidencing it through his wonderful hands of surgery.

Dr. DeBakey was in World War II. He established the MASH unit that is now saving lives of our soldiers in Iraq and Afghanistan. His wisdom has been sought by virtually every U.S. President since Harry S. Truman. He served on Presidential commissions during both the Kennedy and Johnson administrations and thus provided essential support in the passage of the landmark 1965 Medicare legislation.
