PERSONAL EXPLANATION

Mr. PATRICK J. MURPHY of Pennsylvania. Mr. Speaker, the rules of the House do not allow me to remove myself from cosponsor at this time of H.R. 811, but this statement serves that I am not to be perceived as a cosponsor of this bill at this time.

OVERRIDING THE VETO ON SCHIP

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, in a little less than 72 hours, this House will have the opportunity to make one of the most definitive and powerful stands for the Nation’s children.

Let me go on record by indicating that this Nation has over a period of time mistreated her children. Now we have the opportunity to insure millions of children with health coverage through the SCHIP program, a program now that has seen itself last for a decade of success in preventing devastating health conditions for young children.

I know this because just last week I visited St. Joseph’s Hospital, the neonatal unit. We heard stories from young mothers talk about children who have been saved and, yes, talk about those who have not been saved because they could not enroll in the SCHIP program.

Why in the world would we suffer a veto to deny our children a mere \$35 billion to cover them for preventative health care?

I ask my colleagues to overturn this veto, and I join the Congressional Black Caucus to ensure that that happens. The fight is for our children. We cannot yield.

GOD & CENSORSHIP

(Mr. POE asked and was given permission to address the House for 1 minute.)

Mr. POE. Mr. Speaker, good news. That which has been removed has been returned. That which has been censored is censored no more. Let me explain.

The Architect of the Capitol took it upon himself to remove references of God from the official certificates that accompany flags that are flown over the Capitol. These flags and certificates are given to schools, citizens, and the military. Some Members of Congress, for example, request the words “God” and “Country” to be incorporated into the certificate. However, the word “God” was unilaterally stricken and censored from the document by the Architect. But those days are over. The Architect will now allow the word “God” on such certificates.

The national motto is “In God We Trust.” We pledge allegiance saying “one Nation under God.” Our history is based upon a belief in the Supreme Being. And much of this Capitol has references to the Almighty.

Mr. Speaker, many Americans are tired of paranoia government censorship of God, and consider attempts to remove God from America a violation of their constitutional rights. Thank God.

And that’s just the way it is.
