G. Warren Elliott has served as the chairman of the Franklin County Board of Commissioners for 12 years, leading one of the most successful and efficient boards in Franklin County history. Elliott has also served on numerous boards of directors, including the Franklin County Area Development Corporation and the Franklin County Conservation District. His presence will be sorely missed as he retires from his post as chairman of the board of commissioners.

Cheryl Plummer also served as a member of the Franklin County Board of Commissioners for 12 years. She has dedicated much of her career to improving human services in the county, serving as chair of the Human Services Committee in the County Commissioners Association of Pennsylvania. In addition to performing her duties as a county commissioner, Plummer led multiple community organizations, dedicating time and effort to the United Way, Chambersburg Area School District, and the Greater Chambersburg Chamber of Commerce, just to name a few. She has been recognized often for her efforts, and her dedication and leadership will be missed by her colleagues and community members.

Commissioner Elliott and Commissioner Plummer deserve great thanks, as they have brought about lasting changes and improvements to Franklin County and have vastly bettered the quality of life of the entire community. While their presence will be missed, I wish them both a happy retirement, and I am sure they will continue to volunteer and inspire others to follow in their footsteps to become leaders within society.

RECOGNIZING THE EASTERN MONTGOMERY COUNTY EMERGENCY MANAGEMENT GROUP

HON. PATRICK J. MURPHY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2007

Mr. PATRICK J. MURPHY of Pennsylvania. Madam Speaker, I rise today to recognize the Eastern Montgomery County Emergency Management Group for their outstanding service and dedication. They provide world-class regional training symposiums, multi-jurisdictional field training exercises and specialized training in disaster management to emergency responders throughout Pennsylvania's 8th Congressional District.

Formed in 2001, in response to the tragic events of September 11, the Eastern Montgomery County Emergency Management Group has been helping the community prepare for emergencies. The group consists of emergency management officials from across our community who are committed to work to-

gether as partners on all emergency management issues and incidents. These dedicated individuals are responsible for coordinating the community's preparation for, response to, and recovery from man-made and natural disasters.

As the son of a former Philadelphia police officer, I know how hard America's emergency responders work to keep our cities and towns safe—especially in disaster situations. The Eastern Montgomery County Regional Emergency Management Group's commitment to our community is undeniable. As their representative, I am proud to be just as committed to providing them, and our other emergency management groups with the tools and resources they need to do their jobs. After all, true homeland security means supporting those who keep our families safe.

Madam Speaker, on behalf of the families across Eastern Montgomery County, I want to thank the Eastern Montgomery County Emergency Management Group for their tireless and lifesaving efforts. They and other emergency management groups throughout our country need—and deserve—our continued support.

IN RECOGNITION OF BRIGADIER GENERAL (CA ARNG—RETIRED) EDWARD E. MUNGER

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2007

Mr. COSTA. Madam Speaker, I rise today to recognize Retired BG Edward E. Munger who served our Nation in the California Army National Guard as well as the United States Army. A native of Fresno, General Munger is an individual who exemplifies outstanding work ethic and is certainly worthy of special recognition.

During his senior year in high school, Edward enlisted in Fresno's 185th Infantry Regiment of the California Army National Guard as a private. From there, his military career blossomed, as he progressed through staff and command positions, eventually including battalion commander of his infantry regiment.

While serving in the California National Guard, Edward owned and operated Engineered Sound, an electronics contracting business with offices in Fresno, Reno, and Las Vegas. Under his leadership, Engineered Sound landed major contracts at such landmarks as the Las Vegas Hilton, The Sands Hotel, and Caesars Palace, as well as many others in Reno and Lake Tahoe.

Various local television and radio stations have called on General Munger to comment on military operations and strategic planning. He is respected throughout the area, and remains involved in many community service organizations. Some of these organizations include: the Fresno Rotary Club, Valley Children's Hospital, and the Fresno Chamber of Commerce.

In his personal life, General Munger and his wife Tamsen have two adult children. It is both an honor and a pleasure to recognize such a great man who throughout his life has demonstrated courage and love of our country. I want to extend, on behalf of the residents of Fresno, my sincerest appreciation for his dedication and service to the country.

CELEBRATING THE CENTENNIAL OF THE DUNN HOUSE IN CITRUS COUNTY, FLORIDA

HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2007

Ms. GINNY BROWN-WAITE of Florida. Madam Speaker, I rise today to recognize the centennial celebration of the historic Dunn House in Citrus County, FL. The current owners, Rev. Harvey and his wife Astrid Dunn, have had the Dunn House in their family since 1916. Originally constructed in 1907 as a field house and meeting place for the Florida Mutual Mining Company, the building was purchased and turned into a home by the Dunn family in 1916.

At the center of the phosphate boom in the 1890s and into the early 1900s, Citrus County was home to several mining companies, among them the Florida Mutual Mining Company. The company built what became known as the Dunn House in 1907, not as a home, but as a field office. Historical documents describe the house as a place for the owners and stockholders to go when they needed to conduct business in the area.

The field superintendent of the company's Floral City Mines was William Harvey Dunn, Rev. Harvey Dunn's grandfather. While many Dunn family members called the house a home, one of the Dunn family members born there, Hampton Dunn, became a well-known Citrus County historian and writer. A prolific author, Hampton is best known locally for his work, "Back Home, a History of Citrus County, Florida." A World War II veteran, Hampton also had careers as a reporter, author, editor, soldier, historian, preservationist and a crusader for traffic safety.

In 1973 Harvey and Astrid Dunn took over the Dunn House after a 20-year vacant period, working to rehabilitate and restore the home to its original state and beauty. Today the Dunn House is of the pride and joy of Citrus County residents, with its two-story, porch-over-porch house and eight original fireplaces. In fact, the front of the house faces an old abandoned mine road which existed long before the current Bedford Road. Therefore, visitors approach the property from the back and side of the house, not the front as you would at most other period homes.

Madam Speaker, the historic Dunn House is a venerable institution and tourist attraction in Citrus County, FL. The residents of Floral City take great pride in the home, and look forward to celebrating its centennial anniversary this year. I know that the Dunn family has spent many years preserving and restoring the Dunn House to its full glory, and I congratulate them on their commitment and effort.
