

We need to take a look at some real success stories in Medicare and Medicaid and see how we can apply the lessons.

For example, independent actuaries again this year have announced that the projected costs for Medicare part D will be lower than expected. Beneficiaries have enjoyed premiums that are 40 percent lower than original estimates. Compare that to the fact that part B premiums have doubled in price over the last 6 years.

The Republican budget is a better proposal. I suggest you vote for it.

Mr. SPRATT. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Ms. LORETTA SANCHEZ of California) having assumed the chair, Mr. WEINER, Acting Chairman of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H. Con. Res. 312) revising the congressional budget for the United States Government for fiscal year 2008, establishing the congressional budget for the United States Government for fiscal year 2009, and setting forth appropriate budgetary levels for fiscal years 2010 through 2013, had come to no resolution thereon.

The question is on the Speaker's approval of the Journal.
