By any fair reading, Ms. Haynes has an exemplary record of commitment to the high ideals of equal opportunity and equal justice before the law—ideals that I believe are at the core of civil rights.

CLOTURE MOTION

We, the undersigned Senators, in accordance with the provisions of rule XXII of the Standing Rules of the Senate, hereby move to bring to a close debate on the motion to proceed to Calendar No. 608, H.R. 1195, an act to amend the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users, to make technical corrections, and for other purposes.

The PRESIDING OFFICER. Without objection, it is so ordered.

The majority leader is recognized.

Mr. REID. Mr. President, I hope we can proceed to this bill. This is another bipartisan piece of legislation. Senators BOXER and INHOFE have worked on this bill for months and months. It has been very difficult. It has been like pulling teeth. They get one thing done and something else crops up. It is now done.

I hope we can move to this bill. If there are those who want to offer an amendment, good. Let them offer an amendment. This is something that is important and we need to do. I hope, recognizing this bill relates to the highway bill that we passed 3½ years ago, any amendments offered would be in keeping with the content of the bill. I don't want to get off on Iraq or some tax issue. I hope we can confine it to this legislation.

This is the Senate. After we get on the bill, I hope we could go immediately to it; we wouldn't have to use the 30 hours. If there are things that need to be done, no one is trying to stop anybody from offering amendments. We are not going to be, unless there is a change, and I will certainly give lots of prior warning to the Republican leader after we are on this a while. I hope we can just go through the ordinary process, that we don't have to do any parliamentary maneuvers to get this very important bipartisan piece of legislation done.

Mrs. BOXER. Will the leader yield for a question—a comment and question?

Mr. REID. I am happy to yield.

Mrs. BOXER. I thank the leader very much. This is a very bipartisan piece of legislation that Senator INHOFE and I are very happy is finally coming to the floor.
