RECOGNIZING WESTCARE HEALTH SYSTEM FOR THEIR DEDICATION AND SERVICE TO WESTERN NORTH CAROLINA

HON. HEATH SHULER

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 3, 2008

Mr. SHULER. Madam Speaker, I rise today to express my gratitude to all of the employees of WestCare Health System.

When an unexpected event occurred at a neighboring hospital in Western North Carolina, the physicians and staff of WestCare Health System, which includes Harris Regional Hospital, recognized the urgency of the situation and took action to address a regional health care crisis. They made the necessary adjustments to serve both those in need of health care, and the professionals responsible for providing vital services, such as surgery and emergency care.

The services and credentialing staff of WestCare worked long hours to assist displaced physicians in obtaining the proper clearance needed to treat patients and perform surgeries at Harris Regional Hospital. Despite the increased patient volume, every member of the staff stepped in to do their part to help, ensuring that Harris Regional Hospital remained a clean, safe place to receive medical treatment.

The flexibility that this staff showed through this time is truly something to be appreciated and admired. The increased workloads were a challenge to both the professional and personal lives of the WestCare staff. Projects were put on hold, sleep was lost, and family time dwindled. For this, on behalf of the patients that were able to obtain care at this facility, who may have otherwise had to do without, I would like to say thank you for the sacrifices that you made in order to make sure they had the care that they needed.

I would like to commend and thank all of the staff of WestCare for ensuring that every patient that walked through their doors would receive the high quality health care that they deserved from staff and were treated in a friendly and efficient manner.

The region has noticed WestCare Health System's efforts. Community leaders have recognized the staff's response and dedication. Patients have expressed their appreciation through letters to WestCare's CEO Mark Leonard. This brand of endurance and care for our neighbors when they are in need is not only a characteristic of the WestCare staff, but rather of the people of Western North Carolina.

I am proud to represent an area where I know that we can count on those around us to help us in times of trouble. To the staff at WestCare, I cannot thank you enough for your hard work and dedication to serving those around you in a time of need.

IN MEMORY OF KEITH AND
JAYNIE PAULSON, VINCE
WHITELEY, AND JENNIFER
DRAKE

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 3, 2008

Mr. THOMPSON of California. Madam Speaker, I rise to honor the all too short lives of Keith and Jaynie Paulson, Vince Whiteley, and Jennifer Drake, residents of my district, who died tragically in a small plane crash on May 23, 2008.

The epitome of the all-American family, Keith and Jaynie Paulson moved to the village of Albion on the Mendocino coast in northern California in 1976 and immediately became an integral and respected part of the community. A former high school science teacher from the Bay Area, Keith originally planned to develop hydroponic greenhouses.

Once he purchased a tractor, he was hired to do jobs for neighbors and then through word of mouth he found a niche digging trenches and installing underground utilities. In 1977, Paulson Excavating was born with Keith at the helm and Jaynie the chief financial officer. By 1981, the company had grown to the point of bidding on jobs in and outside of

Mendocino County installing telecommunications components and doing projects for public agencies including cities, counties, special districts and the State. Their workforce grew from a core of 15 to as many as 75 employees.

Known and respected by their peers for exemplary business practices, the Paulsons were also beloved by colleagues and neighbors on the Mendocino coast, where their roots were deep. They raised two children, Amy and Brian, and were involved in their school, sports and other extra curricular activities. Bryan continues the work of Paulson Excavating. Amy is mother to the 3 Paulson grandchildren: Lincoln, Jackson, and Anna.

Jaynie served on the Mendocino Unified School District Board from 1991 until 2004. Keith also served for a short time on the school board and was the coach of the Mendocino High School golf team. He was a member of the Albion-Little River Volunteer Fire Department for 7 years and held various officer positions. A meticulous and expert pilot for 25 years, Keith was appointed as pilot representative to the Little River Airport Advisory Committee in 2007 by the County of Mendocino.

The tragedy, which took their lives, also claimed Amy's husband, Vince Whiteley, a graphic artist from Windsor and Bryan's longtime girlfriend, Jennifer Drake from Albion. The Mendocino coast community is left with a hole in the hearts of so many. Accolades and tributes to this sterling couple and their children's mates help the grieving as we try to make sense of their loss.

Madam Chair and colleagues, please join me in conveying our deepest sympathy to the children, loved ones, and the community, during this sorrowful time as we recognize and honor the lives and contributions of Keith and Jaynie Paulson and Vince Whiteley and Jennifer Drake.

Mr. THOMPSON of California. Madam Speaker, I rise today to recognize Richard R. Niemann on the occasion of his retirement from the Napa Valley Unified School District after 39 years of teaching. Richard will be truly missed by his friends, colleagues and most of all, his students.
