

REPORT RELATIVE TO THE
BLOCKING OF PROPERTY OF AD-
DITIONAL PERSONS UNDER-
MINING DEMOCRATIC PROC-
ESSES OR INSTITUTIONS IN
ZIMBABWE—PM 00

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act, as amended (50 U.S.C. 1701 et seq.) (IEEPA), I hereby report that I have issued an Executive Order (the "order") that expands the scope of the national emergency declared in Executive Order 13288 of March 6, 2003, which was relied upon for additional steps taken in Executive Order 13391 of November 22, 2005, and takes additional steps with respect to that national emergency.

In Executive Order 13288, I found that the actions and policies of certain members of the Government of Zimbabwe and other persons to undermine Zimbabwe's democratic processes or institutions constituted an unusual and extraordinary threat to the foreign policy of the United States and declared a national emergency to deal with that threat. Executive Order 13288 blocks the property and interests in property of the persons listed in its Annex and permits the designation of any person or entity owned or controlled by, or acting or purporting to act directly or indirectly for or on behalf of, any person listed in that Annex.

Executive Order 13391 took additional steps to address the national emergency declared in Executive Order 13288 and amended the provisions of that earlier order. Executive Order 13391 blocks the property of the persons and entities listed in its Annex and permits the designation of any person or entity determined: to have engaged in actions or policies to undermine Zimbabwe's democratic processes or institutions; to have materially assisted, sponsored, or provided financial, material, or technological support for, or goods or services in support of, such actions or policies or any person whose property and interests in property are blocked pursuant to Executive Order 13288, as amended; to be or have been an immediate family member of any person whose property and interests in property are blocked pursuant to Executive Order 13288, as amended; or to be owned or controlled by, or acting or purporting to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to Executive Order 13288, as amended.

I have now determined that the continued actions and policies of the Government of Zimbabwe and other persons to undermine Zimbabwe's demo-

cratic processes or institutions, manifested most recently in the fundamentally undemocratic election held on June 27, 2008, to commit acts of violence and other human rights abuses against political opponents, and to engage in public corruption, including the misuse of public authority, warrant an expansion of the existing national emergency and the existing sanctions with respect to Zimbabwe. The order supplements the designation criteria set forth in Executive Order 13288, as amended by Executive Order 13391, and provides additional criteria for designation of any person determined by the Secretary of the Treasury, after consultation with the Secretary of State: to be a senior official of the Government of Zimbabwe; to be owned or controlled by, directly or indirectly, the Government of Zimbabwe or an official or officials of the Government of Zimbabwe; to be responsible for, or to have participated in, human rights abuses related to political repression in Zimbabwe; to be engaged in, or to have engaged in, activities facilitating public corruption by senior officials of the Government of Zimbabwe; or to have materially assisted, sponsored, or provided financial, material, logistical, or technical support for, or goods or services in support of, the Government of Zimbabwe, any senior official thereof, or any person whose property and interests in property are blocked pursuant to Executive Order 13288, Executive Order 13391, or the order.

The order also restates existing designation authority to block the property and interests in property of persons determined to have engaged in actions or policies to undermine Zimbabwe's democratic processes or institutions. Finally, the order restates existing derivative designation authority and adds derivative designation authority to block the property and interests in property of persons determined by the Secretary of the Treasury, after consultation with the Secretary of State, to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, or to be a spouse or dependant child of, any person whose property and interests in property are blocked pursuant to Executive Order 13288, Executive Order 13391, or the order.

In the order, I delegated to the Secretary of the Treasury, after consultation with the Secretary of State, the authority to take such actions, including the promulgation of rules and regulations, as may be necessary to carry out the purposes of the order.

I am enclosing a copy of the Executive Order I have issued.

GEORGE W. BUSH,
THE WHITE HOUSE, July 25, 2008.

MESSAGE FROM THE HOUSE

ENROLLED BILLS SIGNED

At 10:01 a.m., a message from the House of Representatives, delivered by Ms. Niland, one of its reading clerks, announced that the Speaker has signed the following enrolled bills:

S. 2565. An act to establish an awards mechanism to honor exceptional acts of bravery in the line of duty by Federal, State, and local law enforcement officers.

S. 2766. An act to amend the Federal Water Pollution Control Act to address certain discharges incidental to the normal operation of a recreational vessel.

S. 3298. An act to clarify the circumstances during which the Administrator of the Environmental Protection Agency and applicable States may require permits for discharges from certain vessels, and to require the Administrator to conduct a study of discharges incidental to the normal operation of vessels.

H.R. 1553. An act to amend the Public Health Service Act to advance medical research and treatments into pediatric cancers, ensure patients and families have access to information regarding pediatric cancers and current treatments for such cancers, establish a national childhood cancer registry, and promote public awareness of pediatric cancer.
