

2006 national championship. This past season, Tim threw for 29 touchdowns and ran for 22 touchdowns becoming the first player in major college football history to run and pass for over 20 touchdowns in the same season. Furthermore, Tim's total of 51 touchdowns was a Southeastern Conference record and his 22 rushing touchdowns also set a new conference record as well as a national collegiate record for quarterbacks. Tim's season culminated by becoming the first sophomore to win college football's most coveted and prestigious award, the Heisman Trophy.

The University of Florida is now the only school in the SEC to have three Heisman winners and one of eight schools nationally to have three winners of the prestigious award.

While his achievements on the field are well documented, what many people may not know is that Tim is also a dedicated student who consistently maintains a 3.77 grade point average at one of the Nation's top universities. This is no easy task. His classroom excellence earned Tim first-team Academic All-American honors, becoming only the fourth sophomore in UF history to earn this honor. Tim's ability to balance his commitments to both school and football is truly a testament to his exemplary character and his desire to succeed.

Tim Tebow is a leader on and off the field. His parents have instilled in him a sense of community spirit and compassion for his fellow man, which is evident through his missionary work in the Philippines and his commitment to visiting hospitals across the U.S.

The entire University of Florida community is fortunate to have a scholar-athlete like Tim representing the university both on and off the field. Each time he takes the field, Tim Tebow plays with passion for the game, for his teammates, and for the fans, reminding us why it's great to be a Florida Gator.
