REPORT RELATING TO AGREEMENT BETWEEN THE UNITED STATES AND THE INTERNATIONAL ATOMIC ENERGY AGENCY FOR THE APPLICATION OF SAFEGUARDS—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 111-37)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

I transmit herewith a list of the sites, locations, facilities, and activities in the United States that I intend to declare to the International Atomic Energy Agency (IAEA), under the Protocol Additional to the Agreement between the United States of America and the International Atomic Energy Agency for the Application of Safeguards in the United States of America, with Annexes, signed at Vienna on June 12, 1998 (the “U.S.-IAEA Additional Protocol”), and constitutes a report thereon, as required by section 271 of Public Law 109-401. In accordance with section 273 of Public Law 109-401, I hereby certify that:

(1) each site, location, facility, and activity included in the list has been examined by each department and agency with national security equities with respect to such site, location, facility, or activity; and

(2) appropriate measures have been taken to ensure that information of direct national security significance will not be compromised at any such site, location, facility, or activity in connection with an IAEA inspection.

The enclosed draft declaration lists each site, location, facility, and activity I intend to declare to the IAEA, and provides a detailed description of such sites, locations, facilities, and activities, and the provisions of the U.S.-IAEA Additional Protocol under which they would be declared. Each site, location, facility, and activity would be declared in order to meet the obligations of the United States of America with respect to these provisions.
