(Ms. ZOE LOFGREN of California asked and was given permission to address the House for 1 minute.)

Ms. ZOE LOFGREN of California. Mr. Speaker, as the Chair of the California Democratic delegation, I yield to our colleague for a happy announcement.

Ms. LORETTA SANCHEZ of California. Mr. Speaker, I would like to announce that at 9:13 a.m. this morning I became an aunt. LINDA SÁNCHEZ, one of our colleagues, of course, my sister, and her husband, Jim Sullivan, gave birth to a baby boy, 7 pounds, 14.6 ounces; and his name is Joaquin Esteban.

And I would just add that both mother and child are doing great. I just spoke to my mom, who's in town; so we're pretty excited. Thank you.

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 2187) to direct the Secretary of Education to make grants to State educational agencies for the modernization, renovation, or repair of public school facilities, and for other purposes, with Mr. HOLDEN in the chair.

The Clerk read the title of the bill.

The CHAIR. The gentleman from California (Mr. GEORGE MILLER) and the gentleman from California (Mr. MCKEON) each will control 30 minutes.

The Chair recognizes the gentleman from California (Mr. GEORGE MILLER).

Mr. GEORGE MILLER of California. Mr. Chairman, I yield 3 minutes to the gentleman from Iowa (Mr. LOEBSACK), who has been a driving force behind this legislation and one of the original cosponsors of this legislation.

Mr. LOEBSACK. Mr. Chairman, I am very happy to have had the opportunity to work on the 21st Century Green High-Performing School Facilities Act with Mr. CHANDLER, Chairman MILLER and, especially, subcommittee Chairman KILDEE.

Last year, when we considered a similar version of this legislation, I had the great opportunity to include many of the provisions of my Public School Repair and Renovation Act and the GREEN School Improvement Act into the underlying bill, and I am glad that the bill that we introduced this year also contains those provisions.

I am especially proud of this bill's focus on the importance of greening schools. Many schools in my district and across the State and, indeed, across the country have already begun to go green. For example, the Cardinal Community School District has a wind-powered classroom that I visited that saves energy and gives students hands-on experience in an emerging industry.

The Cedar Rapids Community School District is also making large strides towards more energy-efficient facilities. Kennedy High School, Taft Middle School, Harding Middle School, Jefferson High School, and Washington High School are all looking at geothermal systems.

The Elizabeth Tate High School in Iowa City has also taken several important strides towards greening their facilities and have specifically focused on the benefits of natural lighting for their students with disabilities. Other schools in my district that are going green include Evans Middle School, Willowwind School, and Van Allen Elementary School, and I visited almost all of those.

These schools all know that even while they struggle to find funding for their projects, their school modernization efforts will lead to increased
