Career Member of the Senior Foreign Service of the United States of America, Class of Counselor, effective June 22, 2008:  
 Dale N. Tasharski, of Tennessee

Mr. REID. Mr. President, I rushed through these nominations once we were able to get permission to move them forward. Each one of these that we have just read will change people's lives. Some of these people have been waiting a long time to enter public service. Some have been in public service and are moving to a different spot. It is too bad we can't give more rec-

ognition to these outstanding individuals. Their recognition will be based on the job they do while working in this administration. All these people who are approved are not Democrats. They come from both sides. I am thankful and grateful we have been able to get this many done. People have had individual questions about all these nominations, and we worked through them.

#### LEGISLATIVE SESSION

The PRESIDING OFFICER. The Senate will now return to legislative session.

#### SUPPORTING NATIONAL MEN'S HEALTH WEEK

Mr. REID. Mr. President, I ask unanimous consent that the HELP Committee be discharged from further consideration of S. Res. 190, and that the Senate proceed to that.

The PRESIDING OFFICER. The clerk will report.

The assistant legislative clerk read as follows:

A resolution (S. Res. 190) Supporting National Men's Health Week.

There being no objection, the Senate proceeded to consider the resolution.

Mr. REID. Mr. President, I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, and the motion to reconsider be laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 190) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

#### S. RES. 190

Whereas, according to the National Cancer Institute—

(1) despite advances in medical technology and research, men continue to live an average of more than 5 years less than women, and African-American men have the lowest life expectancy;

(2) 9 of the 10 leading causes of death, as defined by the Centers for Disease Control and Prevention, affect men at a higher percentage than women;

(3) between ages 45 and 54, men are 3 times more likely than women to die of heart attacks;

(4) men die of heart disease at 1½ times the rate of women;

(5) men die of cancer at almost 1½ times the rate of women;

(6) testicular cancer is 1 of the most common cancers in men aged 15 to 34, and when detected early, has a 96 percent survival rate;

(7) the number of cases of colon cancer among men will reach almost 75,590 in 2009, and almost ½ of those men will die from the disease;

(8) the likelihood that a man will develop prostate cancer is 1 in 6;

(9) the number of men developing prostate cancer in 2009 will reach more than 192,280, and an estimated 27,360 of them will die from the disease;

(10) African-American men in the United States have the highest incidence in the world of prostate cancer;
