#### A TRIBUTE TO MAMIE NICHOLS

### HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 14, 2009*

Mr. BRADY of Pennsylvania. Madam Speaker, I rise to honor Mrs. Mamie Nichols, a pioneering activist and community organizer for more than 60 years, who died July 1 at the age of 91. Born Mamie Melton in Norfolk, Virginia her family moved to Philadelphia and settled in the Point Breeze section of South Philadelphia when she was a young child.

She grew up in Point Breeze and married and raised her six children in Point Breeze. But her 88-block neighborhood had been given a death sentence by officials in the Philadelphia Office of Housing and Community Development. Mamie Nichols said she was told by city officials that Point Breeze could not be saved from urban decay and the city was letting it die a natural death.

But Mamie Nichols fought back. Fueled with anger, pride, determination and charm, Mrs. Nichols is credited with saving her neglected community. She founded the Point Breeze Federation and she was a prime mover in the founding of the Childs Elementary School Home and School Association. Her organization established the Point Breeze Performing Arts Center and transformed the long shuttered Landreth School into senior citizens apartments and a community center. She was also named to the Philadelphia Planning Commission and served as a member of the board

of Directors of the Pennsylvania Horticultural Society, Philadelphia Green and the Philadelphia Urban Affairs Coalition. And, along her journey she planted flowers in what was to be the greening of Point Breeze.

Mamie Nichols is remembered with deep love and respect by what Dr. Martin Luther King, Jr. referred to as the beloved community.

At a young age, Mrs. Elizondo Herrera began her public service to this country when she worked for the Alamo Area Council of Governments, a regional planning agency in San Antonio, and in 1987 joined the Foreign Service as a junior officer in the Administrative Zone. She has served as a Vice Consul in Guadalajara, Mexico, and Administrative Officer and Post Security Officer in Melbourne, Australia. She was then stationed in Washington, D.C., where she served as an Area Manager for the Office of Foreign Buildings with oversight for near East Asia; as a Special Assistant to the Assistant Secretary of Administration, with a portfolio of Overseas Buildings Operations and as a Post Management Officer for the European Bureau with responsibility for the Russian Federation and Finland.

Mrs. Elizondo Herrera has traveled throughout Russia, North Africa and the Arabian Gulf while stationed in Washington. She has served as the Deputy Supervisory GSO at the U.S. Embassy in Rome and Administrative Officer at the U.S. Embassy in Mexico City.

HONORING THE LIFE AND WORK OF LEONARD E. BRISCOE, SR.

### HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 14, 2009*

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, I rise today in remembrance of Leonard Briscoe who passed away on Tuesday, June 16, 2009 at the age of 69.

Mr. Briscoe was a trailblazer in the African American community in North Texas. In 1971, he was elected to the Fort Worth City Council, making him the second African American to serve in this position. A few short years later, in 1976, he was elected to the Texas State House of Representatives where he served during the 65th Legislature and chaired the Select Committee on Minority Business Enterprise.

As a businessman, advocate, and engaged citizen, Mr. Briscoe was acutely aware of the needs of the minority communities in North Texas. In a period of political turmoil, he encouraged other African Americans to become involved in the political process and was a leading advocate for affirmative action. He understood the dire consequences of inadequate housing for low-income families, and served as Chairman of the Fort Worth Community Development Council. Through this chairmanship, he helped to develop the city's first housing program funded by the Housing of Urban Development Department under the Community Development Act of 1974.

After leaving the Texas State House of Representatives, Mr. Briscoe continued his work to ensure that low-income people and minorities had access to respectable and affordable housing. His business built over twenty housing developments in the Southern part of the country with the help of over \$13 million from the U.S. Department of Housing and Urban Development. Because of this, the Department named him "Entrepreneur of the Year" in 1984.

I ask my fellow colleagues to join me today in remembering the life and work of Leonard Briscoe, a community organizer, activist, and entrepreneur, who helped so many people across North Texas and the country.
